2023 SEASON NOTEBOOK

RHULE SET FOR FIRST SEASON

Matt Rhule is set for his first season at Nebraska in 2023. Rhule is in his 11th season as a head coach after previously leading programs at Temple (2013-16) and Baylor (2017-19) along with an NFL stint as head coach of the Carolina Panthers (2020-22).

- Rhule owns a career record of 47-43 in his seven seasons as a college head coach. Including his time in the NFL, Rhule is 58-70 in 10 seasons as a head coach.
- He has a proven record as a program builder. Rhule led both Temple and Baylor to the highest win totals in program history in his third season at each school.
- Rhule guided Temple to a pair of trips to the American Athletic Conference title game, the first two appearances in the league title game in school history. His 2016 Owl team won the schools' first conference title in nearly 40 years.
- Rhule led Temple to back-to-back bowl appearances for the first time in school history in 2015 and 2016. He built the foundation for Temple to appear in five straight bowl games from 2015 to 2019.
- At Baylor, Rhule became the first head coach in Power Five history to take a team from 11 losses to 11 victories in two or fewer seasons.
- The 2019 Baylor team set a school record for wins with 11 and the Bears' 9-0 start was the best in school history.
- Rhule is one of just six current FBS head coaches to have experience as an NFL head coach.

NINE NEW FACES AMONG 10 FULL-TIME ASSISTANTS

Nine of Nebraska's 10 full-time assistant coaches are in their first season on the Husker sideline in 2023. The lone returning member of the coaching staff is offensive line coach **Donovan Raiola**, who is in his second season at Nebraska in 2023. Including Head Coach Matt Rhule, nine of Nebraska's 11 full-time coaches have experience at both the college and NFL levels.

- Nebraska's offensive staff is led by offensive coordinator **Marcus Satterfield**, who also guides the Husker quarterbacks. Satterfield is in his 12th season as an offensive coordinator, including the past two seasons at South Carolina. He also owns two seasons of experience as a head coach, leading Tennessee Tech in 2016 and 2017.
- Running backs coach **E.J. Barthel** has three seasons of prior experience on Rhule's staffs at Temple and Carolina. Most recently, he guided the UConn running backs in 2022, helping the Huskies rank as one of the most improved teams in the country.
- **Garret McGuire** coaches the Husker receivers. McGuire played for Rhule at Baylor and served on his Panthers' staff. Garret is the son of Texas Tech head coach Joey McGuire.
- Tight ends coach **Bob Wager** came to Nebraska from the Texas high school ranks where he was one of the state's most successful coaches over the past two decades. Wager led his teams to 206 victories and 22 state playoff appearances.
- The defensive staff is entirely new, led by coordinator **Tony White**. White has 15 seasons as a full-time assistant at the FBS level, including the past three seasons as the defensive coordinator at Syracuse. White led the Orange to back-to-back top-25 total defense rankings in 2021 and 2022, one of only 12 programs nationally to achieve that statistical milestone.

- **Evan Cooper** has served on Rhule's staff at each of his four head coaching stops. Cooper served as a defensive backs coach with the Panthers and at Baylor and also brings an extensive player personnel and evaluation background to the staff.
- Temple graduate **Rob Dvoracek** leads the linebackers. He played for Rhule at Temple before coaching with the Owls, and Dvoracek subsequently worked for Rhule at both Baylor and in the NFL.
- Defensive line coach **Terrance Knighton** spent the past two seasons working on Rhule's staff with the Panthers. Knighton owns the most accomplished playing career among Nebraska's coaches, starting 96 games during his seven-year career as an NFL defensive lineman.
- **Ed Foley** is also in his first season at Nebraska, serving as the Huskers' special teams coordinator. Foley is the most experienced member of the coaching staff, heading into his 35th year of coaching this fall. He has been with Rhule at each of his three previous stops, and Foley also has head coaching experience, leading Fordham for two seasons and twice serving as Temple's interim head coach.

- Nebraska will play seven games against 2022 bowl teams. NU also faces one opponent who was ranked in the final 2022 AP poll (No. 3 Michigan), along with five teams (Illinois, Iowa, Maryland, Minnesota and Purdue) who received votes in last year's final poll.

MEMORIAL STADIUM CELEBRATES 100 YEARS

One of the most iconic venues in all of college sports reaches a milestone this fall as Nebraska's Memorial Stadium hits the 100-year mark. Nebraska will celebrate the anniversary of Memorial Stadium throughout the 2023 home season.

- Memorial Stadium was built at a cost of \$450,000 in 1923 and had an original capacity of 31,080.
- The first game in Memorial Stadium occurred on Oct. 13, 1923, with the official dedication of the stadium a week later when Nebraska hosted Kansas on Oct. 20, 1923. Memorial Stadium was dedicated to honor Nebraskans who served in the Civil War and the Spanish-American War, and Nebraskans who died in World War I. Later, the dedication was expanded to honor Nebraskans who died in World War II, the Korean War and the Vietnam War.
- Nebraska owns an all-time record of 428-147-13 at Memorial Stadium entering the 2023 season.
- The Huskers have posted 33 unbeaten seasons in Memorial Stadium history, most recently in 2016.
- Every game at Memorial Stadium since 1962 has been sold out, a streak of 389 consecutive games entering the 2023 season. The 389-game sellout streak spans nearly two-thirds of all games played at Memorial Stadium.
- Nebraska opens the 2023 season under the lights at Memorial Stadium against Northern Illinois on Sept. 16. The first night game in Memorial Stadium occurred in the 1986 season opener in a win over Florida State. Nebraska is 49-10 all-time in home night games.

A LOOK AT THE HUSKER OFFENSE

Nebraska returns five starters on offense and four others who started at least one game last season. The Huskers must replace two starting linemen (center Trent Hixson and right guard Broc Bando) and their most productive wide receiver (Trey Palmer) and tight end (Travis Vokolek).

Up front, **Turner Corcoran** (12 starts in 2023), **Bryce Benhart** (11 starts) and **Ethan Piper** (8 starts) return as starters. Those three linemen have combined for 71 career starts at Nebraska. The Huskers also welcome back two more linemen who could be considered returning starters. **Teddy Prochazka** started the first three games of 2022 before suffering a season-ending injury. NU also brings back **Nouredin Nouili**, who started seven games in 2021 before sitting out last season. **Henry Lutovsky** also returns after starting two games at right guard in 2022.

WHAT NEBRASKA RETURNS ON OFFENSE

CATEGORY	RETURNING	% RET.	RET. LEADER
Rushing Yards	1,167	79%	Grant (915)
Passing Yards	147	6%	Purdy (147)
Receiving Yards	762	29%	Washington (471)
Offensive TDs	11	32%	Grant (6)

Nebraska added more experience to the line with the addition of transfer **Ben Scott**, who started 28 games in his Arizona State career with starting experience at right tackle (17 starts) and center (11 starts). Georgia transfer **Jacob Hood** and Utah transfer **Tyler Knaak** are each in their first season at Nebraska after both redshirted as true freshmen in 2022 at their respective schools.

Nebraska's offensive linemen enter the 2023 season with 120 career starts between them, including 97 starts in a Husker uniform.

NU returns three running backs with starting experience who have combined for 1,807 rushing yards in a Husker uniform. That group is led by **Anthony Grant**, who started all 12 games in 2022 and rushed for 915 yards, the highest total by a Husker in four seasons. **Rahmir Johnson** has started seven games and rushed for 674 yards in his career, while **Gabe Ervin Jr.** has four starts and 218 rushing yards at Nebraska.

At wideout, **Marcus Washington** returns after starting 10 games in 2022. In his first year at NU, Washington was second on the team with 31 catches and 471 receiving yards, setting career highs in both categories. **Isaiah Garcia-Castaneda** is back after he caught five passes for 120 yards in the first four games last season before utilizing his redshirt season.

The Huskers also made some big additions to the wide receiver room in the offseason. **Zavier Betts** rejoined the team after he sat out the 2022 season. In two years at Nebraska in 2020 and 2021, Betts played in 18 games with six starts and caught 32 passes for 417 yards and one touchdown with three rushes for 109 yards and one score.

Billy Kemp IV joined Nebraska for his sixth and final season as a college football player. He is the most experienced player on the roster after he played in 50 games with 25 starts at Virginia. Kemp caught 192 passes for 1,774 yards and eight touchdowns as a Cavalier, ranking fourth in school history in receptions and 10th in yards. He enters the 2023 season ranked fifth among all active FBS players with 192 career catches.

Joshua Fleeks is the second-most experienced player on the roster, as he played in 46 games with three starts at Baylor, catching 67 passes for 658 yards and three touchdowns while rushing for two scores.

At tight end, **Nate Boerkircher** is the only tight end on the roster who has caught a pass at Nebraska. Boerkircher made four starts last season and had six receptions for 52 yards and one touchdown. **Thomas Fidone II** looks for a breakout season after previously being limited by an injury.

Bolstering the tight end room is the addition of **Arik Gilbert**, who was a freshman All-SEC selection at LSU in 2020 before transferring to Georgia for the 2021 and 2022 seasons. Gilbert has played in 18 games in his career and caught 37 passes for 384 yards and two touchdowns.

At quarterback, Georgia Tech transfer **Jeff Sims** is the favorite to replace Casey Thompson, who ranked in the top 10 in Nebraska history in passing yards and passing touchdowns in his lone season as the Husker starter in 2022. Sims started 23 games over three seasons with the Yellow Jackets. He completed 58 percent of his passes while throwing for 4,464 yards and 30 touchdowns and rushed for 1,152 yards and 11 scores. Sims is one of 14 active FBS quarterbacks with 4,000 career passing yards and 1,000 career rushing yards.

Chubba Purdy returns for his second season at Nebraska in 2023. Purdy is the only quarterback who has started a game for the Huskers, as he earned starts against Minnesota and Michigan in 2022.

A LOOK AT THE HUSKER DEFENSE

Nebraska returns eight starters from last season on defense, including six who started 10 or more games. The eight returning starters have combined for 128 starts at Nebraska. Led by the returning starters, the Huskers bring back nearly 60 percent of their tackles from last season.

Ty Robinson anchors the defensive line after he started all 12 games in 2022. Robinson has made 23 starts in his career and has recorded 51 tackles, 8.0 tackles for loss and 2.0 sacks over the past two seasons. **Nash Hutmacher** (2 starts) is the only other returning defensive lineman with starting experience, while **Blaise Gunnerson** (15 games) and **Ru'Quan Buckley** (1 game) are the only other defensive linemen who have played in a game at Nebraska.

WHAT NEBRASKA RETURNS ON DEFENSE

CATEGORY	RETURNING	% RET.	RET. LEADER
Tackles	501	56%	Reimer (86)
Tackles For Loss	26.0	43%	Gifford (5.0)
Sacks	6.0	29%	Robinson (2.0)
Interceptions	7	78%	Hartzog (3)

Nebraska added an impressive group of freshmen defensive linemen in addition to a pair of transfers. **Elijah Jeudy** joins the fold as a transfer from Texas A&M, where he played in three games over two seasons after joining the Aggies as a four-star recruit. Junior college transfer **Kai Wallin** is in his first season in Lincoln after he posted 33 tackles, 7.5 TFLs and 5.0 sacks in 10 games at American River Community College in 2022.

Veterans **Luke Reimer** and **Nick Henrich** return to lead the Husker linebacking corps. Reimer has started 27 career games and has led the Huskers in tackles the past two seasons (108 in 2021 and 86 in 2022). Reimer averages nearly nine tackles per game in his 27 career starts, and he enters the 2023 season in 15th place in Nebraska history with 246 career tackles.

Henrich has battled injuries throughout his career but has been a productive player when healthy. He started five games last season before suffering a season-ending injury. In his career, Henrich has started 18 games and recorded 163 tackles, including 99 tackles in 2021.

Also returning and looking to figure into the linebacker rotation are **Jimari Butler**, **John Bullock** and **Javin Wright**. Butler has played in 14 games in his Husker career, and he recorded nine tackles and 1.5 tackles for loss in 2022. Bullock has been a special teams standout while playing in 22 games the past two seasons, but he impressed the coaching staff with his work at linebacker during the spring season. Wright is a converted defensive back in his first season at linebacker who has played in 13 games with one start in his Husker career, totaling nine tackles.

SEC transfers **MJ Sherman** and **Chief Borders** bring more experience to the linebacker corps. Sherman played in 39 games the past three seasons at Georgia, playing in every game of the Bulldogs' back-to-back national championship seasons in 2021 and 2022. Sherman made 15 tackles in his Georgia career. Borders played in all 12 regular-season games at Florida in 2022, recording two tackles.

In the secondary, Nebraska returns both starting cornerbacks and safeties, as well as its starting nickel back. The experienced unit includes four of Nebraska's five leading returning tacklers. The secondary allowed fewer than 180 passing yards in each of the final five games of 2022.

At cornerback, **Quinton Newsome** and **Malcolm Hartzog** return as starters. Newsome started every game last season, and he enters the 2023 season with a streak of 24 consecutive starts. An honorable-mention All-Big Ten selection in 2022, Newsome has recorded 112 tackles in his career with 14 pass breakups. Hartzog earned a starting spot as a true freshman in 2022, starting the final eight games. He led Nebraska with three interceptions while totaling 22 tackles and two pass breakups. **Tommi Hill** gives Nebraska another cornerback with starting experience, as he started the Huskers' first five games at cornerback in 2022.

Isaac Gifford and **Omar Brown** also boast starting experience as versatile members of the secondary. Gifford started 10 games in 2022, including eight starts at nickel and two at safety. He recorded 70 tackles with three pass breakups last season. An FCS All-American at Northern Iowa, Brown played in every game in his first season at Nebraska in 2022.

The safety spot features returning starters **Myles Farmer** and **Marques Buford Jr.**, each of whom started 11 games last fall. Farmer ranked second on the team with a career-high 73 tackles in 2022, and he has intercepted four passes in his career. Buford recorded 59 tackles in 2022, and he had two interceptions and three pass breakups before suffering a season-ending injury on the opening drive of the season's 11th game.

DeShon Singleton, **Phalen Sanford**, **Javier Morton** and **Tamon Lynam** all saw playing time in the Husker secondary in 2022. Florida transfer **Corey Collier** also played in five games in his two seasons as a member of the Gator secondary.

HUSKER POWER

HUSKER POWER: A NATIONAL LEADER

Husker Power is a nationally recognized brand and a source of pride for Nebraska Football.

NEBRASKA WAS THE FIRST TO:

- Have a paid strength coach
- Lift weights in-season
- Hold a summer conditioning class
- Offer a degree for strength coaching

Since 2006, Nebraska football student-athletes have trained throughout the year in the Ndamukong Suh Strength and Conditioning Center (pictured). Beginning in the fall of 2023, Nebraska will move into a more spacious and advanced strength and conditioning facility which will give Husker student-athletes a technological and strategic advantage by combining state-of-the-art strength training innovation with top-notch coaching and programming.

Led by Corey Campbell, a total of five full-time strength and conditioning coaches are devoted to working with the football team. The staff works with Husker football student-athletes teaching proper strength and conditioning techniques, allowing them to reach their maximum potential. Nebraska also has a full-time football sports science coach.

RETIRED JERSEYS

Following the 1949 season, the N Club voted to retire jersey No. 60 in honor of Tom "Train Wreck" Novak's stellar career with the Cornhuskers. Novak, the first Nebraska player to earn this honor, had been a four-time All-Big Seven choice and a 1949 All-American. Today, all major national award winners and College Football Hall of Fame inductees at Nebraska automatically have their jerseys retired, but their numbers will still be available to active Huskers.

HISTORY OF THE BLACKSHIRTS

One of Nebraska's most well-known traditions is the Blackshirts, the common nickname for the Husker defense. The term originally dates back to the early 1960s and refers to the black jerseys that Nebraska's first-string defenders wear in practice.

With the return of the two-platoon system in college football in 1964, Head Coach Bob Devaney looked for a way to distinguish the defensive units on the practice field. Devaney sent an assistant coach to a local sporting goods store to find "contrast jerseys", a sleeveless pullover that went on top of the players' practice jerseys. While the top offensive unit practiced in red jerseys and the second-string offense worked in green pullovers, the first-string defense wore black and the second string wore contrasting gold jerseys.

The term quickly caught on and then gained momentum during Monte Kiffin's tenure as defensive coordinator in the mid-1970s. The Blackshirts earned national recognition under Charlie McBride, who served as the Huskers' defensive coordinator from 1982 to 1999.

The Blackshirts will celebrate their 60th season in 2023.

DEFENSIVE DOMINANCE

- Nebraska has ranked in the top 10 nationally in total defense 22 times since 1964.
- Nebraska has ranked in the top 10 in scoring defense 23 times since 1964, including leading the nation in scoring defense in 1984 and 2009.
- Nebraska has ranked among the top 10 in all four major defensive categories (rush defense, pass defense, total defense and scoring defense) on five occasions, including national title seasons in 1994, 1995 and 1997, and most recently in 2009.
- Opponents have traditionally found moving the ball through the air difficult against the Blackshirts, as the Huskers have ranked in the top 10 in passing defense 18 times in the past five decades.

PERFORMANCE NUTRITION

PERFORMANCE NUTRITION

The purpose of the Performance Nutrition department is to provide services that enhance the student athlete's overall health and recovery.

GOALS

- To offer a variety of food and beverage products that are readily available and accessible for all student athletes.
- To provide a wealth of education and resources that each student athlete can utilize to enhance their overall level of knowledge and awareness as it pertains to fueling their body for competition and recovery.

DESCRIPTION OF SERVICES

Performance Nutrition seeks to provide fueling options and education to Husker student athletes, so they are adequately prepared and knowledgeable on the impact nutrition can have in their lives as athletes and after sport.

NUTRITION OVERVIEW

Our Training Table is the primary resource for student athletes to seek out holistic fueling options. Our Training Table operates and sets its menus with a student athlete first mentality. We seek to provide healthy, accommodating nutrition options for all our athletes at breakfast, lunch, and dinner.

Our fueling stations are the secondary resource for student-athletes to fulfill their fueling needs. The primary goal of our fueling stations is to provide quick and easy sources of nutrition and hydration to supplement training and competition.

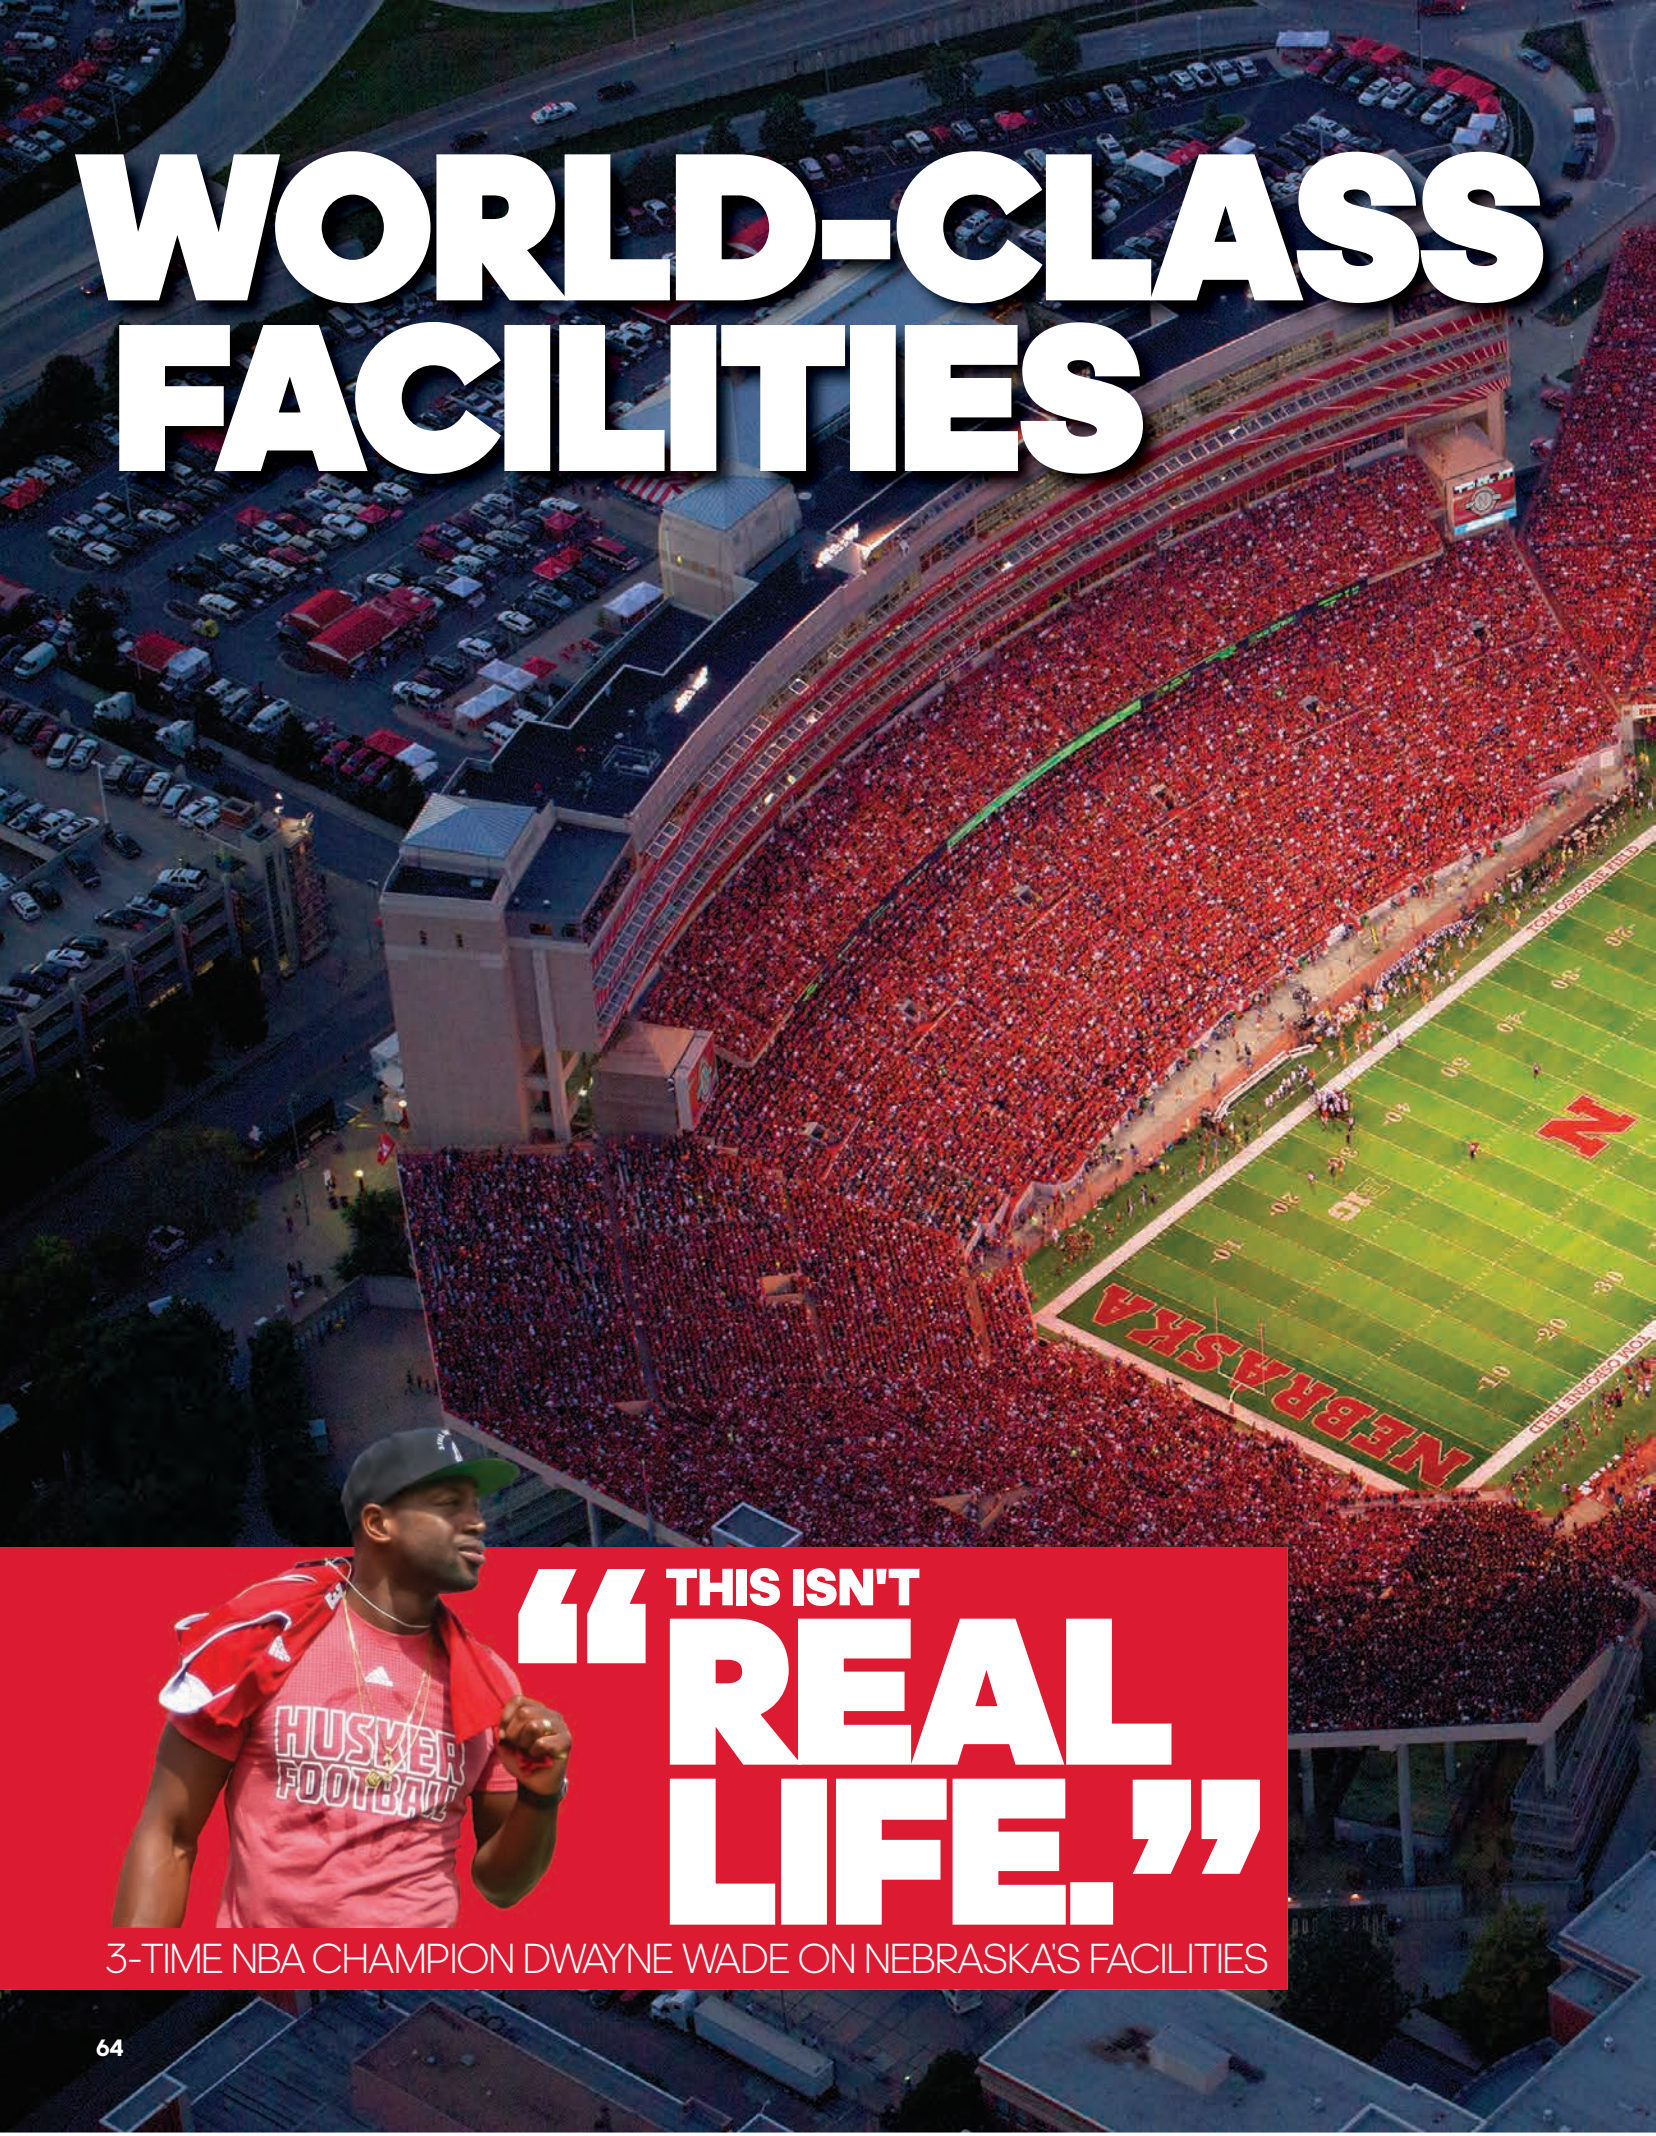

Team rooms and competition fueling are an additional asset our student-athletes can utilize. Each team has a dietitian that coordinates additional nutrition options to team rooms and around competition.

Husker Bucks are provided to student-athletes to supplement meals on their own. Athletes have the chance to purchase a meal at local restaurants or choose to use the dollar value on groceries.

EDUCATION AND CONSULTATION

Each team has a sport specific dietitian who oversees the nutritional needs per team. Our dietitians are a great resource for education and consultation to our student athletes. The dietitians conduct DEXAs for body composition assessment, hydration testing, consult with athletes individually, provide nutrition education team talks (hydration, Pre-workout fueling, recovery nutrition) and coordinating materials, host cooking classes & grocery store tours, and assist with fueling options surrounding competitions.

THE UNIVERSITY OF NEBRASKA

Chartered in Lincoln by the Nebraska Legislature in 1869, the University of Nebraska was expanded in 1968 into a university system now comprising four campuses under the guidance of a Board of Regents and a central administration. The flagship University of Nebraska–Lincoln is an educational institution of international stature. Nebraska is classified within the Carnegie “R1: Doctoral Universities – Highest Research Activity” category. Nebraska is also a land-grant university and a member of the Association of Public and Land-grant Universities. The university is accredited by the Higher Learning Commission.

BIG TEN ACADEMIC ALLIANCE

As a member of the Big Ten, the University of Nebraska–Lincoln is a member of the Big Ten Academic Alliance (BTAA), formerly the Committee on Institutional Cooperation, which is the academic consortium of the universities in the Big Ten Conference. The BTAA includes all 14 Big Ten Institutions and partners with the University of Chicago. The Big Ten Academic Alliance and the institutions together have annual research expenditures topping \$11.5 billion — more than the Ivy League and the University of California System combined — and they educate a total of nearly 600,000 students with approximately 50,000 faculty members.

MATT RHULE

[HEAD COACH]

1ST YEAR | 11TH YEAR AS A HEAD COACH

[HONORS & AWARDS]

- » 2019 Sporting News National Coach of the Year
- » 2019 AFCA Region IV Coach of the Year
- » 2019 Big 12 Coach of the Year

Matt Rhule was hired as Nebraska's 31st head coach on Nov. 26, 2022. Rhule has more than a decade of head coaching experience having previously served as head coach of the Carolina Panthers in the National Football League with successful collegiate stints leading the programs at Baylor and Temple.

The 2023 season will mark Rhule's 11th season as a head coach and his 26th season as a full-time coach. Highly regarded as a program builder and player developer, Rhule brings a proven track record of collegiate success to Lincoln.

The 48-year-old Rhule orchestrated quick rebuilds at both Baylor and Temple. Temple won only two games in Rhule's first season but in year three, the Owls set a school record for victories and played in the conference championship game. After leading Temple to a conference title the next season, Rhule moved on to Baylor with similar success. The Bears won only one game in Rhule's first season but in his third year, Baylor won a school-record 11 games and played in the Big 12 Championship Game and the Sugar Bowl.

HEAD COACHING CAREER

CAROLINA PANTHERS: Following successful stints as the head coach at Baylor and Temple, Rhule moved on to the National Football League as the head coach of the Carolina Panthers. Rhule coached the Panthers for two-plus seasons, posting an 11-27 record.

Rhule inherited a Carolina team that had lost eight straight games to finish the 2019 season. He led the Panthers to a 3-2 start in 2020 before finishing with a 5-11 record that included eight one-score losses.

Carolina won its first three games of the 2021 season before injuries at the quarterback position contributed to a 5-12 record. Rhule then led the Panthers through the first five weeks of the 2022 season.

BAYLOR: Rhule produced an impressive turnaround in three seasons as Baylor's head coach from 2017 to 2019, guiding the Bears to a 19-20 record.

Baylor won only one game in Rhule's first season in 2017 but two years later, the Bears went 11-3, becoming the first team from a Power Five Conference to go from 11 losses to 11 wins in two or fewer seasons.

Baylor finished 1-11 in 2017 but eight of the losses were by 14 points or less, including four one-score losses. But Rhule was successful in creating a strong culture and developing players, including quarterback Charlie Brewer, who was named the Big 12 Co-Offensive Freshman of the Year.

In his second season, Rhule guided Baylor to a 7-6 record in 2018 that culminated with a Texas Bowl victory over Vanderbilt. Baylor's six-win improvement from the 2017 to the 2018 season ranked third nationally and led all Power Five programs. His staff's player development was on display again, as wide receiver Jalen Hurd was named the 2018 Big 12 Newcomer of the Year.

Rhule delivered a record-breaking season in his final year in Waco in 2019. Just two years after a one-win season, Rhule led Baylor to a school-record 11 victories in 2019. The Bears began the season 9-0 to mark the best start in school history, and the season ended with Baylor playing in its first Big 12 Championship game and its second Sugar Bowl. With a second straight bowl appearance, Rhule became only the second coach in Baylor history to make a bowl game in two of his first three seasons.

With an 11-3 record in 2019, Baylor finished with a No. 13 ranking, the Bears' second-highest final ranking since 1951. The only losses in Rhule's final season were a pair of three-point defeats to a top-10 Oklahoma squad and a 12-point Sugar Bowl loss to a top-5 Georgia team.

Sixteen Baylor players earned all-conference honors in 2019, and defensive tackle James Lynch was named the 2019 Big 12 Defensive Player of the Year and Defensive Lineman of the Year.

TEMPLE: Rhule's first head coaching job came at Temple, where he led the Owl program to new heights in four seasons from 2013 to 2016. Rhule guided Temple to a 28-23 record, including 20-7 over his final two years.

Rhule once again laid the foundation in his first year, when Temple finished 2-10. The final record did not tell the tale of his first season however, as after an 0-6 start, the Owls went 2-4 over the final six games of the season and never trailed entering the fourth quarter in any of their final six games.

With an emphasis on closing out games entering Rhule's second season, his team succeeded by allowing only 23 fourth-quarter points in 12 games in 2014. The strong finishes helped Temple achieve bowl eligibility with a 6-6 record.

With a solid culture and foundation in place, Temple tied its school record with 10 victories in Rhule's third season in 2015, and the Owls again won 10 games in 2016. He led Temple to back-to-back 10-win seasons for the first time in program history, as the Owls had produced only one 10-win season before Rhule's appointment as head coach. Temple also played for the conference title in both 2015 and 2016.

In 2015, Rhule led his team to a conference division title and Temple beat Penn State for the first time in 73 years. The Owls started the year 7-0 and achieved a national ranking for the first time in 36 seasons. Temple spent eight weeks ranked in 2015, accounting for half of the 16 all-time weeks the Owls have been ranked entering the 2023 season.

Rhule's final season culminated with another 10-win campaign and the program's first conference title in nearly 40 years, as Temple defeated No. 20 Navy, 34-20, in the American Athletic Conference Championship Game. The Owls set school records for season passing yards and total offense.

Following the AAC Championship Game victory over Navy, Rhule accepted the head coaching position at Baylor.

ASSISTANT COACHING CAREER

NEW YORK GIANTS: Rhule's most recent season as an assistant coach came in the NFL, as he was an assistant offensive line coach with the New York Giants in 2012. The Giants finished 9-7 that season, and Rhule's work with the offensive line helped New York have a 3,000-yard passer, a 1,000-yard rusher and a 1,000-yard receiver.

TEMPLE: The longest stop of Rhule's assistant coaching career came at Temple, where he was on the staff for six consecutive seasons from 2006 to 2011. He joined the Owls as the defensive line coach but moved to coaching quarterbacks the next season. Rhule served as Temple's offensive coordinator and quarterbacks coach from 2008 to 2010, and he was the assistant offensive coordinator and tight ends coach for his final season on staff in 2011.

In 2011, the Owls went 9-4 and won their first bowl game since 1979. For the second time in Rhule's tenure, Temple set a school record for single-season rushing yards and rushing touchdowns. The previous year, Rhule directed an offense that saw a school-record six offensive players earn All-Mid-American Conference accolades.

Temple originally set school records for season rushing yards and offensive all-conference selections in 2009, when Rhule was in his second season as offensive coordinator. That year, Temple also set a program record with nine consecutive wins during the season.

In his first season as offensive coordinator in 2008, Rhule's unit helped the Owls to their most wins (5) in nearly two decades. Temple outscored its opponents for the first time in 18 seasons, and Bruce Francis established the school records for career receiving touchdowns, highlighted by a school-record four touchdown catches against Eastern Michigan.

Rhule spent his first season at Temple coaching the Owls' defensive line.

In addition to his coaching duties, Rhule served as Temple's recruiting coordinator in 2007 and 2011. The Owls landed the No. 1 recruiting class in the MAC in each of Rhule's two seasons as recruiting coordinator.

WESTERN CAROLINA: Rhule coached at FCS Western Carolina from 2002 to 2005, holding a variety of titles during his time as a Catamount. He was the assistant head coach for his final three seasons on staff, as Rhule took on additional duties while head coach Kent Briggs battled cancer.

Rhule coached the offensive line, special teams and linebackers during his tenure, while also serving as the running game coordinator in 2005. Western Carolina ranked 12th in the FCS in total defense in 2004, led by Rhule's linebackers who occupied the top five spots on the team in tackles. As the special teams coach, Rhule's unit led the FCS ranks in kickoff return average (27.4) in 2005.

UCLA: In an impressive rise up the ranks, Rhule landed a Power Five assistant coaching position in just the fourth season of his coaching career. Rhule was the assistant defensive line coach at UCLA in 2001, when the Bruins started 6-0 with four wins over ranked opponents. UCLA ranked in the top 25 nationally in total defense in Rhule's lone season on staff.

BUFFALO: Rhule coached the linebackers at the University of Buffalo for two seasons in 1999 and 2000, which marked the Bulls' first two seasons transitioning to the FBS level from the FCS ranks.

ALBRIGHT COLLEGE: One year after he was finished playing college football, Rhule landed his first full-time coaching job as the linebackers coach at Albright College in Pennsylvania in 1998.

PLAYING CAREER (PENN STATE)

Rhule was a linebacker at Penn State from 1994 to 1997. He helped the Nittany Lions to a 41-8 record in his four seasons with one Big Ten title, three bowl victories and a top-20 final ranking every season.

PERSONAL

A native of New York City, Rhule earned his bachelor's degree in political science from Penn State and his master's degree in educational psychology from Buffalo. He and his wife Julie have three children, Bryant, Vivienne and Leona.

A HISTORY OF IMPROVING PROGRAMS

Matt Rhule has a proven ability to improve programs after laying a strong foundation in year one. He owns a collegiate record of 47-43, but that mark improves to 44-22 when excluding his first season at Temple (2013) and Baylor (2017).

- At both Temple and Baylor, Rhule led his team to a school-record victory total in just his third season at the school.
- Rhule took Temple from two wins in his first season to a school-record 10 victories in both his third and fourth seasons. He then took Baylor from one win in his first season to a school-record 11 victories in his third season.
- Over his last five collegiate seasons (2015-19), Rhule has won three division titles and produced three years with double-digit wins.

RHULE TOOK TEMPLE TO NEW HEIGHTS

In his tenure at Temple from 2013 to 2016, Rhule took the Owls to new heights.

- In Rhule's second season in 2014, Temple posted the program's first win over an SEC team since 1938, its first win over a ranked opponent in 16 seasons and the program's largest margin of victory in nearly 50 years.
- Rhule won 10 games in both 2015 and 2016. He is responsible for two of the three 10-win seasons in Temple's 124-year history.
- He also took the Owls to back-to-back bowl games in 2015 and 2016, the first time Temple played in a bowl in consecutive seasons.
- In 2015, Rhule led Temple to the American Athletic Conference Championship Game, the first conference title game in program history.
- The next season, Rhule guided the Owls to their second conference title in program history and the first in nearly 40 years.
- Temple has spent a total of 16 weeks ranked in the 87-year history of the Associated Press top-25 poll. More than half of those top-25 rankings (9) came under Rhule in 2015 and 2016.
- Individually, linebacker Tyler Matakevich was Temple's third consensus All-American and its first in nearly 30 years. Matakevich also became the second Owl to win a major award, as he was the winner of the 2015 Chuck Bednarik Award and the Bronko Nagurski Trophy.

AN ENCORE PERFORMANCE AT BAYLOR

At Temple, Rhule led the Owls to their highest season win total in program history, their first conference championship game appearance and an impressive run in the national rankings. He produced an encore by accomplishing each of those same feats in three seasons at Baylor.

- Baylor finished with 11 losses in Rhule's first season in 2017 but two years later, he guided the Bears to 11 wins in 2019. It was a remarkable turnaround, as Baylor became the first Power Five program to go from 11 losses to 11 wins in two or fewer seasons.
- Baylor won its final two games of the 2018 season and its first nine games of the 2019 campaign. The 11 straight victories marked the second-longest winning streak in school history, while Baylor's 9-0 start in 2019 was the best start in program history.
- In 2019, Rhule led Baylor to its most wins (11) in school history, the Bears advanced to their first Big 12 Championship Game and played in the Sugar Bowl for only the second time in program history.
- Baylor finished with a No. 13 ranking in 2019, the Bears' second-highest final ranking since 1951.

FROM THE NFL TO NEBRASKA

Rhule is one of only six FBS head coaches who boasted experience as a full-time NFL head coach.

- Rhule coached 38 games in two-plus seasons as head coach of the Carolina Panthers. Among active FBS head coaches, only Jim Harbaugh (64), Jim Mora Jr. (64) and Chip Kelly (63) served as an NFL head coach for more games than Rhule.
- Four former full-time NFL head coaches led a Power Five program in 2022. Those four coaches guided their teams to a combined 41-12 record in 2022, and all four teams spent multiple weeks inside the top 12 of the College Football Playoff rankings.

Tony White is in his first season as Nebraska's defensive coordinator in 2023. White came to NU after coordinating the defense at Syracuse.

In his 17th season of coaching, White boasts previous Power Five experience at Syracuse, Arizona State and UCLA. White is in his fourth season as a defensive coordinator in 2023, and he held the title of defensive coordinator and defensive passing game coordinator at Arizona State and recruiting coordinator at San Diego State.

White helped Syracuse rank in the top 25 nationally in total defense in both 2021 and 2022. Syracuse limited its opponents to 20 or fewer points 10 times over his final two seasons while twice ranking in the top 15 nationally in defensive touchdowns.

White was a 2022 nominee for the Broyles Award. He has a

demonstrated ability to develop players, as four Orange defenders earned freshman All-America honors in his three seasons.

BEFORE NEBRASKA

SYRACUSE: White was the defensive coordinator at Syracuse from 2020 to 2022, and he also coached linebackers in his final season on the Orange staff. While the pandemic disrupted White's first season in 2020, he helped Syracuse rank among the nation's top defenses in both 2021 and 2022. From the 2020 to the 2021 season, Syracuse had the most improved defense in the country, moving up 93 spots in the total defense rankings.

Syracuse was one of only 12 schools to rank in the top 25 nationally in total defense in both 2021 and 2022. With White leading the defense, Syracuse allowed 20 or fewer points 10 times in those two seasons, while surrendering 10 points or less five times. The Orange also ranked in the top 10 nationally in defensive touchdowns twice in White's three seasons, while four Syracuse defenders earned freshman All-America honors.

In 2022, the defense was a major reason why the Orange earned a top-25 ranking and qualified for a bowl game. Syracuse ranked in the top 40 nationally in five major defensive categories. The Orange ranked 12th in defensive touchdowns (3), 14th in passing defense (184.8), 21st in total defense (328.6) and 40th in scoring defense (23.1) and sacks (2.5).

In 2021, White led Syracuse to its best total defense mark in a decade, ranking 19th nationally by allowing 330.3 yards per game. Syracuse also ranked 16th nationally in sacks (3.1) and 26th in both passing (204.2) and rushing (126.1) defense. The Orange were one of only eight schools to rank in the top 30 in both passing and rushing defense. Individually, five Syracuse defenders earned all-conference accolades.

In White's first season in 2020, Syracuse ranked seventh nationally with three defensive touchdowns. Three Orange defenders earned freshman All-America honors, as Syracuse started as many as six freshmen on defense.

ARIZONA STATE: White coached for two seasons at Arizona State in 2018 and 2019, serving as the Sun Devils' cornerbacks coach and defensive passing game coordinator. In his first season, White helped Arizona State post dramatic improvement in its pass defense. The Sun Devils ranked 120th in pass defense in 2017 before White's arrival, but he helped ASU move up 49 spots nationally in that category in 2018.

CAREER HIGHLIGHTS

- Nominated for national assistant coach of the year in 2022
- Has coordinated defenses in the ACC, Big Ten and Pac-12
- Syracuse ranked in the top 25 in total defense in 2021 & 2022
- Top 15 nationally in defensive touchdowns twice in three seasons
- Syracuse was the nation's most improved defense in 2021
- Helped Arizona State rank 12th nationally in passes defended in 2019

- Coached 24 future NFL players, including 17 NFL Draft picks

The improvement continued in 2019, when Arizona State ranked 12th nationally in passes defended (65) and 25th in interceptions (13). Three of White's cornerbacks earned All-Pac-12 honors in 2019. He was promoted to interim defensive coordinator for the Sun Devils' Sun Bowl victory over Florida State, when White's unit scored a defensive touchdown and limited the Seminoles to 14 points.

SAN DIEGO STATE: The longest stop of White's coaching career came at San Diego State, where he spent nine seasons on the Aztec staff. He joined SDSU as cornerbacks coach for the 2009 and 2010 seasons and added the title of recruiting coordinator for his final seven seasons (2011-17) on staff.

In White's nine seasons, San Diego State won three Mountain West Conference titles and went to eight bowl games. White was twice named the Mountain West Recruiter of the Year by Scout.com (2011, 2013), and he was recognized as the top recruiter among non-Power Five schools by Rivals.com in 2014.

Defensively, the Aztecs boasted one of the nation's top secondaries during White's tenure. SDSU ranked in the top five nationally in interceptions in two of his final three seasons, while ranking in the top 10 in defensive passing efficiency in both 2014 and 2015. San Diego State also posted pass coverage grades ranked 31st nationally or higher in three of White's final four seasons.

San Diego State ranked 15th nationally in passing yards allowed per game (178.7) in his final season in 2017, one year after the Aztecs led the country with 26 interceptions in 2016. In 2015, San Diego State ranked second nationally in interceptions (23) and 10th in passing efficiency defense. The Aztecs were even better in 2014, ranking third nationally in defensive passing efficiency. In 2011, both of San Diego State's cornerbacks were first-team all-conference selections.

Damontae Kazee was the Mountain West Defensive Player of the Year in both 2015 and 2016, becoming the first cornerback in conference history to be a two-time league defensive player of the year. Kazee was also recognized as a second-team All-American and was selected in the fifth round of the 2017 NFL Draft. Leon McFadden was a third-round NFL Draft pick in 2013, while Larry Parker earned honorable-mention All-America honors under White's tutelage, and J.J. Whittaker was a three-time all-conference selection.

NEW MEXICO: White coached at New Mexico in 2008 under Rocky Long, the first of 10 straight seasons White served on Long's staff. White coached the linebackers in his lone season on the Lobo staff. He produced two all-conference selections and helped New Mexico rank 26th nationally in rushing defense.

UCLA: White's first collegiate coaching job was as a graduate assistant for football operations at UCLA in 2007. With the Bruins, he assisted with the day-to-day operations of the program, including recruiting administration.

ST. GENEVIEVE HIGH SCHOOL: White began his career as the head coach of St. Genevieve High School in Panorama City, Calif. In his only season at the school, White led the team to its best record in 13 seasons and two of his players earned first-team All-CIF accolades.

PLAYING CAREER (UCLA/CFL)

White was a four-year letterwinner and three-year starting linebacker at UCLA from 1997 to 2000. He totaled nearly 200 tackles in his career and was a senior captain in 2000, when he won a team award for best leadership. White played four seasons in the Canadian Football League following his collegiate career.

PERSONAL

White earned his bachelor's degree in history from UCLA in 2002. He and his wife Angela have one son, Anthony III, and one daughter, Ava.

SOUTH CAROLINA: Satterfield was the offensive coordinator and quarterbacks coach at South Carolina in 2021 and 2022. In 2022, his offense posted the third-most passing yards in school history (3,380), the fourth-most points (418) and the sixth-most total yards (4,925). Spencer Rattler threw for 3,026 yards, the sixth-highest total in program history.

The Gamecocks combined for 94 points and 1,008 yards of total offense in back-to-back wins over No. 5 Tennessee and No. 7 Clemson in his final two games. South Carolina racked up 606 yards in a 63-38 rout of the Volunteers before compiling 402 yards in a 31-30 upset over the Tigers.

In his first season in Columbia, Satterfield helped the Gamecocks to a seven-win campaign in 2021. Injuries forced South Carolina to use multiple quarterbacks during the season, as four different quarterbacks recorded a win as the starter. South Carolina compiled 543 yards of total offense in the Duke's Mayo Bowl win over North Carolina, which was a school record for a bowl game.

CAROLINA PANTHERS: Satterfield boasts NFL experience, as he spent one season with the Carolina Panthers as an assistant offensive line coach on Rhule's staff in 2020. That season, the Panthers averaged 5.6 yards per play while passing for more than 4,100 yards and rushing for more than 1,700 yards.

BAYLOR: Satterfield was at Baylor in 2018 and 2019. He joined Rhule's staff as the director of recruiting in 2018 before joining the coaching staff as the tight ends coach for the 2019 season. The Bears' 2018 signing class was ranked in the top 30 nationally, but a re-rank of the class by The Athletic in 2023 concluded that Baylor had the nation's No. 14 recruiting class based on the players' collegiate careers.

Marcus Satterfield is in his first season as Nebraska's offensive coordinator. Satterfield is in his seventh season on Matt Rhule's staff in 2023, having coached under Rhule with the Carolina Panthers, Baylor and Temple. Satterfield was previously Rhule's offensive coordinator for three seasons at Temple.

Satterfield is in his 12th season as an offensive coordinator in 2023 and his 25th season overall. In addition to previous experience as a coordinator, Satterfield also served as the head coach of Tennessee Tech for two seasons in 2016 and 2017.

The son of a high school head coach, Satterfield helped South Carolina post impressive numbers during the 2022 season. The Gamecocks finished with the third-most passing yards in school history, the fourth-most points and sixth-most total yards.

In addition to his work as a coordinator, Satterfield has excelled as a quarterbacks coach, a group he tutors at Nebraska. In his first stint as a quarterbacks coach in 2013 and 2014 at Temple, he coached P.J. Walker, who was a freshman All-American in 2013 and ended his career as the Owls' all-time leader in passing yards and total offense. During the 2022 regular season, Satterfield helped Spencer Rattler complete 67 percent of his passes while throwing for 2,780 yards in his first season as South Carolina's quarterback.

With more than three decades of coaching experience, Ed Foley brings a robust and diverse resume to his first season as Nebraska's special teams coordinator in 2023. Foley has served on Matt Rhule's staff for nine of Rhule's 11 seasons as a head coach.

Foley's experience includes stints as a collegiate head coach and an NFL assistant. He is an accomplished special teams coach and possesses strong recruiting ties to the Northeast, specifically New Jersey, which has produced some of the greatest players in Nebraska history. In Foley's tenure at Temple, more than 20 Owls who played high school football in New Jersey went on to NFL careers.

A New Jersey native himself, Foley is in his 11th straight season coaching special teams in 2023, including three seasons in the NFL. His special teams have been ranked in the top 25 nationally in four of his last five seasons at the collegiate level.

Baylor was rated as the 13th-best special teams in the country by Pro Football Focus in 2019, while the service rated Temple's special teams as the No. 3 unit nationally in 2018 and No. 5 in 2016. Foley also guided Temple to a No. 23 special teams ranking by Football Outsiders in 2015.

Foley's teams have blocked 30 kicks in his seven seasons as a collegiate special teams coach with five seasons ranked in the top five nationally in blocked kicks.

CAREER HIGHLIGHTS

- Top 25 special teams in four of his last five collegiate seasons
- Baylor ranked 13th nationally in special teams in 2019
- Temple scored six special teams touchdowns in 2018
- Temple ranked 3rd nationally in special teams
- The Owls ranked 5th nationally in special teams in 2016
- His special teams have blocked 30 kicks in his seven seasons
- Five times his units have ranked in the top five in blocked kicks
- Two-time interim head coach at Temple
- Experience as a college head coach and NFL assistant
- Coached nearly 40 future NFL players in the last 15 seasons

Special Teams Player of the Year. In 2015, Jahad Thomas tied a Temple record with a 100-yard kickoff return for a touchdown, and Austin Jones set the school record for field goals made (23) and points by a kicker (113).

Foley's Temple resume extended beyond his work as a special teams coach. In a testament to his reputation and coaching ability, Foley worked for five different head coaches during his 11 seasons at Temple. In addition to his work with the special teams, Foley spent time coaching the offensive line and tight ends during his Temple tenure, and Foley was the Owls' recruiting director from 2008 to 2010 and the director of football operations in 2011 and 2012. During his time at Temple, the Owls set school records for victories in a season (10) and had the longest single-season winning streak in program history (9 games).

Foley also served two stints as Temple's interim head coach. He led the Owls in the 2016 Military Bowl and the 2018 Independence Bowl becoming the first head coach (interim or permanent) to coach in multiple bowl games at Temple.

HOFSTRA: Prior to Temple, Foley was the assistant head coach for two seasons at Hofstra in 2006 and 2007. He coached the offensive line in 2006, when the Pride offense increased its yardage total by 119 yards per game and its scoring output by 10 points per game from the previous season. Led by the line, Hofstra also had its best rushing season (145 yards per game) in six seasons. Foley was also the offensive coordinator in 2007.

FORDHAM: Foley went to Hofstra after coaching at Fordham for seven years, including his final two seasons as the Rams' head coach. Foley guided Fordham to a 7-16 record in 2004 and 2005, including a 5-6 record in 2004 when four of the Rams' six defeats came in one-score games.

Before becoming head coach, Foley spent five seasons as Fordham's offensive coordinator and offensive line coach from 1999 to 2003. He helped the Rams to a 10-3 record in 2002, when Fordham won its first-ever Patriot League title and won a game in the FCS playoffs. In his final season as coordinator in 2003, the Rams set school records for season rushing yards (1,657) and pass completions (255). In 2002, Fordham set a school record for most points (418) in a season. A year earlier, Foley's offense produced Fordham's first 1,000-yard receiver and the program's first 1,000-yard rusher at the FCS level.

JACKSONVILLE UNIVERSITY: Foley arrived at Fordham after coaching at Jacksonville University in 1997 and 1998. With Foley as the offensive coordinator in 1998, the first year the school fielded a football team, the Dolphins averaged more than 30 points per game with a perfectly balanced attack of 190 rushing and 190 passing yards per game.

PENN: Foley had two coaching stints at the University of Pennsylvania. He coached the tight ends and offensive tackles from 1991 to 1993, then returned to coach the same positions from 1995 to 1996. In 1993, the Quakers finished 10-0 and were the Ivy League champions.

WILLIAMS COLLEGE: In between his two stints at Penn, Foley coached the offensive line at Williams College in 1994.

ALBANY: Foley began his career as the offensive line coach at Albany for two seasons (1989 and 1990).

PLAYING CAREER (BUCKNELL)

As a player, Foley was a three-year starting offensive lineman at Bucknell. He started at offensive guard for one season and spent two seasons as the starting center. Foley was named Bucknell's top lineman as a junior before serving as a team captain as a senior.

PERSONAL

Foley earned his bachelor's degree in psychology from Bucknell in 1989 and his master's degree in educational psychology from Albany in 1991. He and his wife Becky have two sons, Charlie and Luke, and one daughter, Sara. Foley's brother Glenn was a quarterback for six seasons in the NFL, playing with the New York Jets (1994-98) and Seattle Seahawks (1999).

BEFORE NEBRASKA

CAROLINA PANTHERS: Foley was an assistant special teams coach with the Carolina Panthers from 2020 to 2022. In his first season in 2020, Carolina ranked seventh in the NFL in kickoff return average (25.3) and kickoff return defense (20.6 yards per return) and eighth in field goals (29). In 2021, the Panthers were eighth in the NFL in field goal percentage (89.7).

BAYLOR: In his lone season at Baylor in 2019, the Bears ranked 13th nationally in special teams. Baylor was second nationally with five blocked kicks and ranked in the top 40 in the country in punt and kickoff return defense.

The Owls also scored six touchdowns on special teams in 2018 with two punt return touchdowns, two fake kicks for scores, one punt block for a touchdown and one kickoff return for a score.

Individually, Temple specialists thrived under Foley. Isaiah Wright became the first player in school history to return both a punt and kickoff for touchdowns in consecutive seasons en route to first-team All-America honors in 2018, when he was named the American Athletic Conference

Cooper has built an impressive resume in a little more than a decade. He spent three seasons as an assistant in the National Football League and has previous Power Five experience as an assistant coach at Baylor. Cooper also has a background in player evaluation and development. In addition to his role as an assistant coach, Cooper served as the Carolina Panthers' director of player evaluation for three seasons, and he was previously the director of player personnel at Baylor and Temple and an assistant director of player personnel at Miami.

His ability as an on-field coach and his experience in player evaluation and development has made Cooper a valuable recruiter. Baylor's 2018 signing class was re-ranked as the No. 14 class in the nation by The Athletic in 2023, when it re-evaluated the 2018 signing class based on the performance of the recruits in their collegiate careers.

BEFORE NEBRASKA

CAROLINA PANTHERS: Cooper spent three seasons as the cornerbacks coach and the director of player evaluation for the Carolina Panthers from 2020 to 2022. In 2021, Carolina allowed only 192.1 passing yards per game, ranking fourth in the NFL in that category, while ranking fifth in fewest completions (337) and seventh in passing yards per attempt (6.3). The pass defense was a major factor in Carolina ranking second in the NFL in total defense (305.9 yards per game) in 2021.

BAYLOR: Cooper spent three years with Rhule at Baylor, helping transform the program. The Bears finished with a 1-11 record in Cooper's first season in 2017 but two years later in 2019, Baylor went 11-3 with trips to the Big 12 Championship Game and the Sugar Bowl.

Cooper was Baylor's cornerbacks coach and recruiting coordinator in 2019, when Baylor matched the school record for victories. That season, Cooper's cornerbacks helped the Bears rank fifth nationally in interceptions (17) and 18th in pass efficiency defense. As a team, Baylor also ranked 19th nationally in scoring defense.

In 2018, Cooper was an on-field assistant working with the Bears' secondary and the defensive line. In his first season on staff in 2017, Cooper served as Baylor's director of player personnel.

Temple also played in back-to-back bowl games for the first time and in 2016, the Owls won the program's first conference title in nearly 40 years. Individually, linebacker Tyler Matakevich won the 2015 Chuck Bednarik Award and the Bronko Nagurski Trophy while becoming Temple's first consensus All-American in nearly 30 years.

Terrance Knighton is in his fifth coaching season in 2023 following an outstanding NFL career. He is serving on Matt Rhule's staff for the third consecutive season, after Knighton was a coaching assistant with the Carolina Panthers in 2021 and 2022.

In his brief coaching career Knighton has already served as both a collegiate and NFL assistant, spending two seasons at Wagner before joining the Panthers. He will coach the defensive line for the fifth straight season in 2023. Knighton was a standout defensive lineman at Temple and went on to be a third-round NFL Draft pick. He played in more than 100 games during his seven-year professional career. Knighton tallied 231 tackles from 2009 to 2015, ranking in the top 15 of all NFL defensive tackles during that time frame.

Knighton has a personal understanding of what it takes to succeed at the collegiate and professional levels at one of the sport's most demanding positions. He is able to use his first-hand experience to teach and develop, and Knighton's coaching ability is enhanced by his relatability to his players since he is less than a decade removed from his playing career.

BEFORE NEBRASKA

CAROLINA PANTHERS: Knighton spent two seasons on Rhule's staff at Carolina in 2021 and 2022, serving as a coaching assistant who helped with the defensive line. In 2021, Carolina limited its opponents to only 4.1 yards per carry, ranking ninth in the NFL in that category. The work of Knighton's defensive line helped the Panthers rank second in the NFL in total defense during the 2021 season.

WAGNER: Knighton began his coaching career at Wagner, an FCS program in New York. He spent two seasons as the Seahawks' defensive line coach in 2019 and 2020. Knighton's final season at Wagner was cut short due to the pandemic, as the Seahawks played only a two-game spring schedule.

In his only full season on staff in 2019, three of Knighton's defensive linemen earned all-conference honors including Cam Gill, who was the conference defensive player of the year and an FCS All-American. Gill posted 60 tackles with 20.0 tackles for loss and 9.5 sacks, while his defensive line teammate Chris Williams recorded 62 tackles with 11.5 TFLs and 4.0 sacks.

Gill and Williams became the first defensive players from the Northeast Conference to earn invites to the East-West Shrine Bowl, and both went on to play in the NFL.

PLAYING CAREER (TEMPLE/NFL)

Knighton was an outstanding defensive lineman at Temple who went on to a successful NFL career. In college, Knighton was a four-year letterwinner from 2005 to 2008 who was Temple's Defensive MVP in both 2007 and 2008. He played in 46 games as an Owl with 34 starts.

Knighton recorded 184 tackles at Temple with 26.0 tackles for loss, 6.0 sacks, 12 passes defended, four blocked kicks, four forced fumbles and one fumble recovery that he returned 66 yards for a touchdown. He was the first Owl to earn first-team All-Mid-American Conference honors in 2008.

In the NFL, Knighton played seven seasons, appearing in 108 games with 96 starts for Jacksonville, Denver and Washington from 2009 to 2015. He was a third-round draft pick of the Jaguars in 2009 and played in 61 games over four seasons with the franchise, totaling 140 tackles, 7.5 sacks and 20 tackles for loss. Knighton then spent two seasons with the Denver Broncos – playing in Super Bowl XLVIII – before ending his career as the starting nose tackle for Washington in 2015.

An NFL All-Rookie team selection in 2009, Knighton posted 231 career tackles with 34 TFLs and 14.0 sacks. BEFORE NEBRASKA

CAROLINA PANTHERS: McGuire was on Rhule's Carolina Panthers' staff for two seasons in 2021 and 2022. McGuire served as an offensive assistant in 2022 after a role as a coaching assistant in 2021.

In 2022, McGuire assisted with a balanced Carolina offensive attack. The Panthers were one of only eight NFL teams to have more than 3,200 passing yards and 2,200 rushing yards. The success came despite injuries that forced Carolina to have three different quarterbacks start multiple games. Despite the use of different quarterbacks, wide receiver DJ Moore ranked 15th in the NFL with seven touchdown receptions in 2022.

In his first season at Carolina in 2021, McGuire helped the Panthers get off to the third-best start in franchise history.

Donovan Raiola is in his second season as Nebraska's offensive line coach in 2023 after being retained by Head Coach Matt Rhule. Raiola owns 12 years of coaching experience, including four years as an offensive line coach in the National Football League.

Raiola joined Nebraska after spending four seasons as an assistant offensive line coach with the Chicago Bears. He also coached offensive linemen at Aurora (Ill.) University, in addition to collegiate coaching stops at Notre Dame and Hawaii.

In addition to being in his ninth season as an offensive line coach, Raiola was an outstanding lineman himself. A three-time All-Big Ten selection at Wisconsin, Raiola went on to play six seasons in the NFL.

NEBRASKA (2022-23)

Raiola helped Nebraska's offensive line overcome many challenges during the 2022 season, including a mid-season coaching change. Raiola's unit had plenty of adversity of its own, as one projected starter was lost before the season began and another starter was lost for the year in game three. Starting right guard Broc Bando also missed time due to injuries, while first-year transfer Kevin Williams Jr. worked his way into a starting role by the fourth game of the season against Oklahoma, only to be lost for the season with an injury suffered against the Sooners.

Despite the injuries, the offensive line nearly paved the way for a 1,000-yard rusher and 1,000-yard receiver, something that has happened only once in the history of Nebraska football. Trey Palmer set a Nebraska single-season receiving record with 1,043 yards, while Anthony Grant had five 100-yard rushing performances and ran for 915 yards, the highest total by a Husker in four seasons.

Behind the play of the line, Nebraska had two games in 2022 where the Huskers had a 300-yard passer, a 100-yard rusher and a 100-yard receiver. Entering the year, Nebraska had accomplished that feat only seven times in its first 132 seasons.

BEFORE NEBRASKA

CHICAGO BEARS: Raiola helped the Bears to two playoff appearances in his four seasons on staff from 2018 to 2021. In his first season in Chicago assisting offensive line coach Harry Hiestand, the Bears posted a 12-4 record and captured the NFC North Division title. The Bears offensive line allowed just 33 sacks, tied for the third fewest in the NFC, while Chicago averaged 26.3 points per game, the fourth-best average in the NFC.

In the 2020 season, Raiola helped tutor an offensive line that featured six different starting combinations. Raiola assisted in helping develop a pair of rookie undrafted free agents (Sam Mustipher and Alex Bars) into starters late in the season, as the Bears reached the NFC playoffs. The Bears rushed for more than 2,000 yards in 2021, ranking seventh in the NFC in rushing.

AURORA UNIVERSITY: Raiola spent the 2017 season as the offensive line coach at Aurora University in Illinois. Raiola's line helped the Spartans average more than 200 yards rushing.

NOTRE DAME: Raiola was an offensive graduate assistant at Notre Dame in 2015 and 2016 assisting offensive line coach Harry Hiestand, helping develop six Fighting Irish offensive linemen who went on to play in the NFL. In 2015, the Fighting Irish finished with a 10-3 record and averaged more than 34 points per game. Notre Dame again averaged more than 30 points per game in 2016.

CAREER HIGHLIGHTS

- Nebraska had a 1,000-yard receiver & 900-yard rusher in 2022
- Four seasons of experience as an NFL offensive line coach
- Helped the Chicago Bears to two playoff berths in four seasons
- Developed two undrafted rookies into starters on the line in 2020
- 2018 Bears' line allowed the third-fewest sacks in the NFC

- Developed seven Notre Dame linemen who went on to NFL careers
- Notre Dame averaged more than 32 points per game in his two years
- Was a three-time All-Big Ten offensive lineman at Wisconsin
- Played six seasons as an NFL offensive lineman

HAWAII: Raiola's first collegiate stop was in his home state of Hawaii as an offensive intern in 2014. At Hawaii, Raiola worked under Head Coach Norm Chow, an accomplished offensive coordinator who helped USC to a pair of national titles in 2003 and 2004.

KAMEHAMEHA SCHOOLS-KAPALAMA: Raiola began his coaching career with two seasons at Kamehameha Schools-Kapalama in 2012 and 2013. At Kamehameha Schools-Kapalama, Raiola coached the offensive line and organized clinics for offensive linemen throughout the state of Hawaii.

PLAYING CAREER (WISCONSIN & NFL)

Raiola spent parts of six seasons playing in the NFL, signing contracts with the Rams, Steelers, Seahawks, Cardinals, Bears, Buccaneers and Commanders. Raiola started 39 games at center for Wisconsin and was a three-time honorable-mention All-Big Ten selection from 2003 to 2005. He helped the Badgers to top-20 finishes in each of his final two seasons.

TOM OSBORNE

HEAD COACH, 1973-97
RECORD: 255-49-3 (.836, 6TH ALL-TIME)

The field inside Memorial Stadium is called Tom Osborne Field in honor of a man, who in 25 seasons, built a total program based on more than winning.

Osborne's coaching career came to a poetic end in the 1998 Orange Bowl. In his final game, the Huskers defeated No. 3 Tennessee, 42-17, giving him a share of a third national title in his final four seasons. The victory left Osborne as the first coach in college football history to retire as a reigning national champion, along with the nation's best active winning percentage (.836, 255-49-3), which ranks sixth all-time among Division I coaches.

Osborne guided the Huskers to back-to-back titles in 1994 and 1995, then capped his career by sharing the 1997 title with Michigan. Nebraska's back-to-back national titles in 1994-95 made Osborne the first coach to accomplish that feat since Bear Bryant in 1978-79. Under Osborne, NU became just the second school all time to post back-to-back perfect national championship seasons. In fact, Osborne's last five Nebraska teams put together the best five-year run in collegiate football history with an amazing 60-3 record.

Osborne-coached Nebraska teams captured 13 conference crowns and all 25 of his Husker teams won at least nine games and went to a bowl. Achievements of that magnitude earned Osborne an immediate ticket to the College Football Hall of Fame in December of 1998, after it waived the customary three-year wait for entrance into the hall. The Memorial Stadium field was re-named Tom Osborne field in 1998.

A Hastings, Neb., native, Osborne served Nebraska for three terms in the U.S. House of Representatives. Osborne served as Nebraska's Athletic Director from 2007 through 2012.

BOB DEVANEY

HEAD COACH, 1962-72
RECORD: 101-20-2 (.829, 13TH ALL-TIME)

One man tops the list of people responsible for the success of the University of Nebraska athletic teams – Bob Devaney. For 35 years he was the driving force behind the University of Nebraska championships, first as a Hall of Fame football coach (1962-72), then as Athletic Director (1967-93) and Athletic Director Emeritus (1993-96). Devaney retired in 1996 and lived in Lincoln until he passed away at the age of 82 on May 9, 1997.

Devaney's mark will remain forever. The memories of the storybook national championship seasons of 1970 and 1971 will continue to inspire generations of Husker fans for years to come. His commitment to building one of the nation's best athletic programs is reinforced with every athletic and academic honor earned by Husker student-athletes.

From the time he took over athletic director duties in 1967, to his final year in 1993, his vigor, enthusiasm and administrative excellence earned him a reputation as one of the nation's outstanding athletic directors. Those characteristics helped make him a football coaching legend. A 1981 inductee into the National Football Foundation and College Football Hall of Fame, under Devaney's leadership Nebraska developed one of the nation's most successful all-around athletic programs.

During his 11-year stint as Husker football coach, Devaney's teams won 101 games, lost only 20 and tied two for an .829 winning percentage. His career mark of 136-30-7 (.806) ranked him as the nation's winningest active coach at the time of his retirement in 1973. Today, he ranks 13th on the all-time list, seven spots behind the man he tabbed as his replacement, Tom Osborne.

In all, his Husker gridiron teams won eight Big Eight titles and two national championships (1970, 1971) and went to nine bowl games. He had three straight Orange Bowl wins, two Outland Trophy winners, a Lombardi Award winner and a Heisman Trophy winner. Twice his teams won four consecutive Big Eight titles, 1963-66 and 1969-72.

NEBRASKA'S NATION-LEADING 18 NCAA TODAY'S TOP TEN AWARDS

The highest honor the NCAA can bestow on a student-athlete is The NCAA Today's Top 10 Award. The award is based not only on outstanding athletic accomplishments, but on excellent academic records and leadership ability in community and campus activities. Nebraska earned its NCAA-leading 18th Top 10 Award in January of 2020 when men's gymnast standout Anton Stephenson was recognized at the NCAA honors dinner.

The Husker football program has nine of Nebraska's 18 Top 10 Award winners, the most of any single sport in NCAA history. The most recent football player to earn a Top 10 Award was All-America rush end Grant Wistrom, who was a 1998 honoree. Wistrom's selection gave Nebraska nine overall Top 10 honorees in the 1990s. Two Huskers received the award in both 1990 and 1991, marking the first two times that a school had more than one student-athlete honored.

In the 1990s, six Husker football players were awarded the Top 10 honor, including Aaron Graham (1996), Rob Zatechka (1995), Trev Alberts (1994), Pat Tyrance (1991) and Jake Young (1990). Randy Schleusener (1981) was the first Husker to win the award, followed by Dave Rimington (1983) and Mark Traynowicz (1985).

Nebraska's success in the classroom also extends to othersports. Along with nine football players who have won the Top 10 Award, four Husker volleyball players (Sarah Pavan-2008, Virginia Stahr-1990, Janet Kruse-1992, Nancy Metcalf-2002), three men's gymnasts (Tom Schlesinger-1989, Patrick Kirksey-1991, Stephenson-2020), one women's gymnast (Richelle Simpson-2005) and one women's tennis player (Mary Weatherholt-2014) have also claimed the honor.

133 YEARS OF NEBRASKA FOOTBALL

Notes on the Associated Press Poll: The rankings indicated in all instances below are at game time, with Nebraska's to the left of the slash and the opponent's to the right. If a slash is alone, neither team was ranked at game time. Early-season games from 1936 to 1949 have no slash because the first polls in those seasons were not taken until after the season began. From 1936 to 1960 and 1968 to 1988, AP ranked the top 20 teams, from 1961 to 1967 the top 10, and since 1989, the top 25. The source for the weekly rankings from Oct. 19, 1936, through Jan. 3, 1984, is Football Rankings, College teams in the Associated Press Poll, 1936-1984, compiled by Lowell R. Greunke (Jefferson, N.C.; McFarland & Co., Inc., 1984).

COACH EWALD O. "JUMBO" STIEHM
(Wisconsin, 1909) 35-2-3 (.913), 1911-15

Under Ewald O. "Jumbo" Stiehm's direction, Nebraska won or tied for the Missouri Valley Conference championship every season. His winning percentage of .913 ranks as the highest in school history. His teams recorded a 34-game unbeaten streak, the longest in school history. Also Nebraska's basketball coach, he was the only coach in Big Eight history to win football and basketball titles in the same academic year. He was the first year-round coach in school history, but he went to Indiana University after NU refused to increase his salary to \$4,250.

NEBRASKA IN THE POLLS

The Associated Press poll began in 1936 and Nebraska came in at No. 15 in the first-ever regular-season poll on Oct. 24. The Huskers finished with a No. 9 national ranking that year. From 1936 through 1949, the AP polls did not come out until October. Beginning in 1950, AP polls were issued weekly throughout the entire regular season. Until 1964, all final rankings were based on regular-season finishes and did not include bowl game results. In 1965, the AP final rankings became post-bowl rankings (with the exception of 1966). In 1974, the UPI final ranking also became post-bowl, and since then all final rankings have included bowl results. The AP has tracked its all-time poll rankings based on finish in each of its final polls. NU checks in at No. 7 in the All-Time AP Poll and has appeared in more than 60 percent of all AP polls since 1936.

COACH TOM OSBORNE

(Hastings, 1959) 255-49-3 (.836), 1973-97

Tom Osborne was hand-picked by Bob Devaney as his successor and served as assistant head coach in 1972. Osborne is credited as the offensive genius behind Devaney's national championship teams and served as a full-time assistant from 1967 to 1972. Osborne won back-to-back national championships in 1994 and 1995, and a third national title in 1997. During his 25 seasons, Nebraska won 13 conference championships and went to 25 consecutive bowl games, including 17 "major" bowls. His teams won nine or more games every year and 11 national rushing titles. His athletes won six Outlands, three Lombardis, one Heisman, one Butkus and one Johnny Unitas Award. He reached 200 (21 seasons) and 250 wins faster than any coach in college football history. In his last five seasons, Osborne's teams posted a 60-3 record, the most wins in a five-year span by any team in collegiate history. He served as Nebraska's Athletic Director from 2007 to 2012.

COACH FRANK SOLICH

(Nebraska, 1966) 58-19 (.753),
1998-03

Frank Solich was named Tom Osborne's successor on Dec. 10, 1997. He guided NU to a 12-1 record, Big 12 Championship and No. 2 final ranking in the coaches poll in 1999. In 2001, Solich led the Huskers to an 11-2 record and an appearance in the BCS title game in the Rose Bowl. In 2003, Solich coached Nebraska to a 9-3 regular-season record, but did not coach NU in the Alamo Bowl, as defensive coordinator Bo Pelini served as interim head coach. Solich was a member of Bob Devaney's first recruiting class in 1962. As a fullback, Solich earned All-Big Eight honors in 1965 and was the first Husker to rush for 200 yards in a game.

COACH BILL CALLAHAN

(Illinois Benedictine, 1978)
27-22 (.551), 2004-07

Bill Callahan came to Nebraska less than one year after leading the Oakland Raiders to Super Bowl XXXVII. The 27th head coach in Nebraska football history, Callahan became one of just five coaches in history to return to college football after leading an NFL team to the Super Bowl. During Callahan's tenure, Nebraska shattered numerous school passing records. He led Nebraska to two bowl games and a Big 12 North title during his tenure.

Note: The 2020 season was shortened due to the COVID-19 pandemic. The original 12-game schedule was changed to a 10-game conference-only schedule on Aug. 5 before the season was postponed on Aug. 11. On Sept. 16, a nine-game schedule was released, and the Huskers played eight games, as the Wisconsin game was canceled by the Badgers due to COVID-19.

The Big Ten prohibited ticket sales for the entirety of the 2020 season, with attendance limited to players' and coaches' families. As a result of that decision, Nebraska did not keep attendance figures for the season and paused its then-375-game home sellout streak.

* Interim Chancellor

Chancellor Bennett came to Nebraska after nine years of successful leadership at the University of Southern Mississippi. During his tenure as president, USM was reclassified from a Carnegie R2 to an R1 university, signaling growth in research prestige and funding. Dr. Bennett also invested in programs to support student recruitment, retention and outcomes, including for the 30 percent of USM students who were first-generation. His efforts led to an improvement in the university's six-year graduation rate.

While at USM, Dr. Bennett established new faculty positions in high-growth areas and increased the average salary for full-time faculty; oversaw \$300 million in facilities work; and launched the largest fundraising campaign in the University of Southern Mississippi's history. He

was a strong champion of the Division I athletics program, investing in new facilities and programs to support student-athletes, including a dedicated mental health counselor to serve student-athletes. Throughout his time as president, he brought a conservative approach to budget management, meeting or exceeding the budgetary goals set by the Mississippi Institutions of Higher Learning Board of Trustees.

Prior to his role at the University of Southern Mississippi, Dr. Bennett served at the University of Georgia for more than a decade. He was the senior administrator for student programs and services for Georgia's 34,000-plus students; oversaw \$150 million in capital projects; and made key staff and programmatic investments in extracurriculars, mental health programs and other areas to better support students.

Dr. Bennett has also been the dean of students at Winthrop University in Rock Hill, South Carolina, and associate dean of student life at Middle Tennessee State University.

Chancellor Bennett values community leadership and service. He has served on numerous boards, including the Mississippi Aquarium, Northeast Georgia Girl Scouts of America, Catholic Health East (Philadelphia), and St. Mary's Health Care System in Athens, Georgia. He is a member of Kappa Alpha Psi fraternity and Past Sire Archon for Sigma Pi Phi fraternity, The Boulé.

Dr. Bennett earned a bachelor's degree in mass communication, a master's degree in educational administration, and an education specialist degree from Middle Tennessee State. He earned his Doctor of Education degree from Tennessee State University.

He and his wife, Temple, are the parents of two adult daughters, Colby and Logan.

Scott M. Fuess Jr. is in his fourth year as Nebraska's Faculty Athletics Representative, having started on July 1, 2020.

As faculty athletics representative, Fuess serves as a liaison between the Office of the Chancellor and Athletic Department. He also serves on the Athletic Department's Executive Staff. His areas of focus in the role include the welfare of student-athletes, NCAA and Big Ten Conference compliance, maintaining the positive relationship between athletics and faculty, developing and responding to NCAA legislative proposals and representing the university at related NCAA and Big Ten Conference meetings.

The half-time position - which was restructured to an expected term of five years - reports directly to Nebraska President Ted Carter and consults with Director of Athletics Trev Alberts. He splits time between faculty representative duties and academic responsibilities.

Fuess, the Steinhart Distinguished Professor of Business and former chair of the College of Business' economics department, has worked at the University of Nebraska-Lincoln since 1986. He serves on the Faculty Senate's Intercollegiate Athletics Committee, having chaired the committee for 2018-19 and a sub-committee in 2017-18. He also has served on numerous Big Ten Conference committees, including the Sports Management Committee, the Compliance and Reinstatement Committee and the Legislative Review Committee. For 2022-23 he served as Chair of the B1G Compliance and Reinstatement Committee.

Fuess earned a bachelor's degree from the University of Delaware, as well as master's and doctoral degrees from Purdue University. His research interests are labor economics, the economics of collegiate sports, and the economy of Japan. He has earned numerous "Distinguished Teaching" awards. In 2016 he received the UNL College of Business "Distinguished Service" award.

- 2020-pres. Walter "Ted" Carter

* Interim President

As president, Carter leads a four-campus university system that enrolls nearly 50,000 students and employs 16,000 faculty and staff on campuses in Lincoln, Omaha and Kearney, plus academic divisions and research and extension centers across the state. He serves as chief spokesman and chief executive officer for the system, which operates on a \$3 billion annual budget and includes a flagship Big Ten institution, a world-renowned academic health

sciences center, Division I athletics programs, and preeminent institutes focused on water and agriculture, national security and defense, infectious disease and early childhood education.

Carter brought with him a distinguished record in education, partnerships and military service, having come to Nebraska from the U.S. Naval Academy, his alma mater, where he was the longest continuously-serving superintendent since the Civil War. Under his leadership, the Naval Academy achieved a No. 1 national ranking and new records in student success and diversity. Carter previously was president of the U.S. Naval War College in Newport, R.I. A retired Vice Admiral with 38 years of service, Carter has logged more than 6,300 flying hours and holds the American record for carrier-arrested landings.

In his first year at the University of Nebraska – faced with the unexpected and unprecedented challenges presented by COVID-19 – Carter led with a focus on the land-grant priorities of access and opportunity for students and families. He launched the Nebraska Promise, a financial aid program guaranteeing free tuition for low- and middle-income Nebraskans, and implemented a multi-year budget plan that included a two-year, across-the-board tuition freeze. The result was system-wide growth in enrollment, including record gains among underrepresented students.

Carter oversaw the awarding of a \$92 million federal contract for the university's National Strategic Research Institute, one of only 14 University-Affiliated Research Centers in the country conducting exclusive research for the Department of Defense. During Carter's tenure, the NU System has been ranked among the world's top 100 institutions for earning research patents, the Omaha campus was selected as the home for a new federal counterterrorism research center, the Institute of Agriculture and Natural Resources launched a new effort focused on rural vitality, and the medical center opened an education, training and preparedness facility that positions Nebraska as the world leader in the fight against infectious disease.

Carter holds a courtesy faculty appointment in aviation in the College of Public Affairs and Community Service at the University of Nebraska at Omaha. He serves as the chair of the Daugherty Water for Food Global Institute's Board of Directors and is a board member for the Greater Omaha Chamber of Commerce, the Nebraska Chamber of Commerce and Industry and the Naval Aviation Museum Foundation. Carter is also a member of the Board for the American Council on Education (ACE), the Association of Public and Land-Grant Universities' Council of Presidents and the Council on Competitiveness. He is an ex-officio member on the board of the University of Nebraska Foundation, the philanthropic partner of the university system that has a \$1.7 billion endowment.

Carter earned his bachelor's degree in physics and oceanography from the U.S. Naval Academy, where he played hockey and served as team captain. He is a graduate of the Navy Fighter Weapons School (Top Gun) and holds educational credentials from the Navy Nuclear Power School, the U.S. Air Force Air War College, the Naval War College and the Armed Forces Staff College.

Carter's 38-year military career includes logging more than 6,300 flying hours while operating from 19 different aircraft carriers. He flew 125 combat missions in Iraq, Afghanistan, Kuwait, Bosnia and Kosovo. Carter is a Distinguished Fly Cross with combat distinction for valor, and a Bronze Star recipient. He holds the American record for carrier-arrested landings, with over 2,000 mishap-free landings. In 2022, Carter received the U.S. Naval Academy's Distinguished Graduate Award in recognition of his military service and leadership.

The son of an English teacher, Carter was raised in the rural, one-high school town of Burrillville, R.I. He and his wife, Lynda, live in Lincoln and have two adult children, Brittany and Christopher.

UNIVERSITY BOARD OF REGENTS

The Board of Regents consists of eight voting members elected by district for six-year terms, and four non-voting student Regents, one from each campus, who serve during their tenure as student body president. The board supervises the general operations of the university, and the control and direction of all expenditures. The board also includes a corporation secretary who manages all records including agendas, minutes, notices, policies and bylaws. Those documents can be found on the web at nebraska.edu/board.

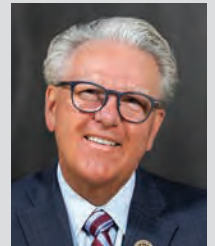

The board meets regularly, primarily in Lincoln but also in Omaha and greater Nebraska. Persons wishing to provide information to the board or to appear before it should contact: Corporation Secretary, University of Nebraska, Varner Hall, 3835 Holdrege, Lincoln, NE 68583.

*Interim Co-Directors

A veteran administrator and College Football Hall of Famer, Trev Alberts is in his third year as Vice Chancellor, Director of Athletics at the University of Nebraska in 2023-24. Alberts returned to his alma mater after spending 12 years at Nebraska-Omaha, guiding the program through a successful transition to the Division I level.

In his first season at Nebraska in 2021-22, Alberts helped the Huskers navigate the ever-changing landscape of Name, Image and Likeness guidelines for the benefit of Nebraska student-athletes.

He led the development of the N-Vest Nebraska program to award \$5,980 per year to student-athletes who meet academic benchmarks. Alberts also spearheaded the charge to complete the fundraising for Nebraska's Go Big Project, which will provide Nebraska football with a new facility scheduled to open this fall. The project will also house academic, life skills, nutrition and support services for all Nebraska student-athletes.

A tireless worker who puts both the interests of student-athletes and fans first, Alberts helped orchestrate a qualitative survey of Nebraska's fan base to help shape the future of Memorial Stadium's game-day atmosphere. Alberts has also focused much of his time on developing the first strategic plan for Nebraska Athletics in 15 years. He has also committed himself to providing intense support and a unifying vision for Nebraska's coaches across all sports.

He continued to make a mark on Nebraska Athletics in his second year. Alberts conducted a thorough, nationwide search for a new leader for the Husker football program in the fall of 2022 that resulted in the hiring of Matt Rhule as Nebraska's new head coach. Rhule has a proven track record as a program builder at the college level, winning conference championships at both Temple and Baylor. Since his hiring, Rhule has energized the Nebraska fan base and attracted a top-25 recruiting class to the Husker program.

Alberts also spearheaded a new 15-year multimedia rights agreement between Nebraska Athletics and Playfly Sports, an emerging leader in sports marketing, media and technology. The partnership is one of the nation's most comprehensive multimedia rights agreements and has a total value of \$301 million for Nebraska over the life of the contract.

Nebraska's athletic achievements in 2022-23 included NCAA top-10 finishes by wrestling, rifle, bowling, women's outdoor track and field, men's gymnastics and men's indoor track and field. In all, 10 Husker teams posted top-20 national finishes, while the men's track team captured the Big Ten outdoor title under first-year coach Justin St. Clair.

Academically, Nebraska student-athletes continued to shine with a school-record 95 percent graduation rate across all sports for the second straight year. All of Nebraska's programs had at least an 88 percent GSR score in the most recent report.

Alberts' impact on college athletics stretches beyond the Nebraska campus. A respected leader at the Big Ten and national level, Alberts serves on both the NCAA's Division I Football Oversight Committee and the NCAA Division I Competition Committee.

Alberts' tenure leading UNO athletics was marked by successes in competition and in academics; by transitioning the university's athletic programs to NCAA Division I in 2011; and by establishing new homes for many UNO athletics teams, including Baxter Arena, the Maverick Park baseball/softball complex and the soccer pitch at Caniglia Field.

Alberts took the bold step in announcing that Omaha would reclassify from Division II to Division I in all sports in 2011 and simultaneously securing conference affiliation with the Summit League for all of the department's then-Division II programs. His vision for UNO's reclassifying teams was demonstrated even before the four-year transition period had ended. The Omaha baseball team won back-to-back Summit League regular-season championships in 2013 and 2014, while the men's basketball team made its first Division I postseason appearance in 2014 with a berth in the CollegelInsider.com Postseason Tournament.

During UNO's time in the Division I ranks under Alberts tenure, the Mavericks had six teams and four student-athletes qualify for the NCAA Tournament, including hockey advancing to the Frozen Four in 2015 and men's soccer reaching the second round of the NCAA Tournament in the spring of 2021. He also expanded opportunities, adding men's golf and men's soccer in 2011, and Omaha began a men's swimming and diving program in 2021-22.

Throughout his tenure in Omaha, Alberts was focused on enhancing the student-athlete experience, including the construction and staffing of the Hamilton Academic Excellence Room and the development of the Ethel S. Abbott Student-Athlete Development Wing. Those efforts paid off in Nebraska-Omaha student-athletes posting consistent collective semester grade point averages above 3.3 for 18 consecutive semesters, including at least a 3.5 in each of his final three semesters.

The facilities around Omaha Athletics received a major uplift during his tenure. Maverick Park opened in March of 2021 to rave reviews as the home to the Mavericks' baseball and softball programs. Funding for the complex, which includes a 1,500-seat baseball facility and a 650-seat softball facility, were raised privately and provided both programs a permanent on-campus home for the first time.

Another crowning achievement was the opening of Baxter Arena in 2015. Alberts directed efforts to secure community support and funding to build the on-campus arena, which allowed the nationally prominent hockey program to play on campus and also serve as the home of the men's and women's basketball and volleyball programs. Caniglia Field underwent renovations in 2012, making it one of the finest collegiate soccer facilities in the country, highlighted by a FIFA 2-star rated playing surface and one of the largest LED videoboards in a soccer-only college facility.

Alberts' work on behalf of hockey, UNO's established Division I sport, also paid dividends. He successfully guided the Mavericks into the new National Collegiate Hockey Conference in 2013-14. The following year, Omaha reached the 2015 NCAA Frozen Four.

In addition, Alberts and his team led Omaha Athletics into a partnership with Learfield, a national leader in the marketing of collegiate athletics, and developed Omaha Sports Properties. As the exclusive corporate sponsorship sales unit for UNO Athletics, Omaha Sports Properties further enhanced revenue and increased brand prominence locally, regionally and nationally.

As part of UNO's reclassification to Division I, Alberts oversaw the rebranding of UNO athletics with new primary and secondary logos and a greater focus on strengthening the Maverick brand both regionally and nationally.

As a student-athlete, Alberts was an All-American on and off the football field as a Husker Blackshirt. He was Nebraska's first Butkus Award winner in 1993, helping Coach Tom Osborne's Huskers to an undefeated regular season and an Orange Bowl appearance against Florida State. A first-team All-American by every major publication in 1993, he was also the Football News National Defensive Player of the Year, the Big Eight Male Athlete of the Year, and the Big Eight Defensive Player of the Year. His No. 34 jersey was retired at the 1994 Red-White Spring Game. In 2015, he was elected to the College Football Hall of Fame.

Off the field, Alberts earned the NCAA's highest honor, The Today's Top Six Award. A three-time Academic All-Big Eight honoree, he was an Academic All-American in 1993. He graduated from Nebraska before his senior season.

Alberts was the fifth pick in the 1994 NFL Draft by the Indianapolis Colts and played for the Colts until 1996. Following his NFL career, he served as an analyst on college and professional football games for major national networks, including ESPN, CNN/SI and CBS Sports Network.

Alberts and his wife Angela have three children – Chase (and his wife, Cassie), Ashtynne and Breanna.

NEBRASKA MEDIA SERVICES

COMMUNICATIONS OFFICE

The Nebraska Communications Office is available to assist the media with coverage of the Nebraska football program. The Communications Office is located on the third floor of the Tom and Nancy Osborne Athletic Complex in the North end of Memorial Stadium.

For information regarding credentials, interviews, statistics and other media inquiries, please call the Communications Office at (402) 472-2263, visit Huskers.com or e-mail Director Keith Mann (kmann@huskers.com), Senior Associate Director Shamus McKnight (smcknight@huskers.com) or Associate Director Matt Smith (msmith@huskers.com). Below are guidelines for covering Nebraska in-season. Additions or changes to these policies can be found at Huskers.com/media.

MEDIA CREDENTIALS

Nebraska utilizes an on-line credentialing system. Directions regarding the application process will be sent to media members or can be accessed at Huskers.com/media. Out-of-state media can contact Vicki Capazo in the Communications Office at (402) 472-7769 or vcapazo@huskers.com for assistance.

As a general rule, working space in the Nebraska Press Box is allotted on the following basis: (1) writers from news outlets covering for same or next day publication; (2) radio personnel for broadcast originations; (3) press and TV working photographers; (4) sports editors/reporters of Nebraska daily newspapers; (5) official school student daily newspaper; (6) approved special coverage as space allows. Visiting freelance and amateur photographers are not eligible for media credentials, except by approval of the Nebraska Communications Office.

MEDIA ACCESS

The game-day entrance to Memorial Stadium for the media is at the Media Gate 7 entrance on street level on the west side of the stadium (main lobby of West Stadium). The working press area is on Level 6 (Don Bryant Media Facility) with the photo and television deck on Level 7. Level 3 (West Stadium Club) and Levels 4 and 5 (Skybox Suites) of the West Stadium and Level 7 of the North and East Stadium Suites are not open to the media or public.

Single-game media credentials can be picked up at West Stadium Lobby Media Will Call on game days, beginning five hours prior to kickoff. Those picking up credentials must show a photo I.D., and all credential holders (season or single game) must receive a wristband to accompany their credential in order to be admitted into Memorial Stadium. Bag check will also occur in the West Stadium lobby.

MEDIA PARKING

Parking at Memorial Stadium is always at a premium, with a limited number of spaces allocated to the media. Media parking is divided among several lots around Memorial Stadium. Early arrival is strongly suggested. No cars will be admitted to Lot 4 (South Stadium lot) later than 90 minutes before kickoff.

Each approved media outlet will receive one

WEEKLY PRESS CONFERENCE

Each Monday during game weeks, Nebraska will hold a press conference featuring Head Coach Matt Rhule. The press conference will be held in the new media room inside the Hawks Championship Center.

Media may not provide live coverage of any press conference on any digital platform or website. The only live coverage that is permitted is live television coverage. A free, live video stream will be available on Huskers.com and streamed on other social media platforms. Shortly following the press conference, a press conference video will be made available to media members followed by a written transcript.

INTERVIEW POLICY

During the season, Coach Matt Rhule is available in person at a Monday press conference and briefly after practice on Thursdays of game week. Any other interviews with Coach Rhule must be arranged through the Communications Office at least one day in advance.

Nebraska players are available for interviews in person on Tuesdays and Wednesdays. Player interviews can occasionally be set up for other times with at least one day advance notice. Coordinators will be available on Wednesdays. All requests for player and coach interviews must go through the Communications Office. Post-practice interviews with players and coaches should not be streamed live online.

No interviews are to be conducted in the locker room, training room, weight room or Nebraska Student Life Complex.

DAILY PRACTICES

During the season, practices are normally conducted either in Memorial Stadium, in the Hawks Championship Center or on the Ed and Joanne Gass Practice Fields northeast of the stadium. Practices are generally closed to the media and public. Media arriving to conduct interviews with Nebraska players and coaches should arrive to the designated post-practice interview area shortly before the end of practice.

Opportunities for media members to shoot photos and video of practice will be communicated to the media. As a general rule, these opportunities will only be during fall camp and not during the season. During open practice times, media are prohibited from streaming practice live and no interviews should be conducted during this time period. Media are also asked to refrain from live practice reports until after the conclusion of the open period. This includes social media, radio reports, video reports, etc.

POSTGAME INTERVIEWS

Nebraska's locker room is closed after games, both home and away, but Coach Matt Rhule and requested players will be available for interviews following a brief cooling-off period. Nebraska's assistant coaches are not available following games.

For home games, only coaches, players and staff members will be admitted team locker areas, but Coach Rhule and requested personnel will be brought to the interview room. Admittance to the interview area will be by media credential only. Media should access the area via the door located on field level in the northeast corner of the Osborne Athletic Complex. Media are asked to not access the media room until after halftime.

Note: Only live television coverage is permitted of press conferences. Live coverage on any digital platform or website is prohibited.

For away games, the best available interview area will be used. Interview requests, home and away, will be taken by Keith Mann and the Communications staff at the end of the third quarter. Non-requested players making significant plays in the fourth quarter will be added as needed.

Nebraska players and coaches will not do interviews on the field after the game other than the broadcast partners.

The visiting locker room at Memorial Stadium is located underneath the South Stadium. The visiting team interview area is just off the main tunnel leading to the visitor's locker room.

Live coverage of any press conference on any digital platform or website is prohibited, including post-game press conferences, both home and away, with the exception of live television coverage. A live stream will be available on Huskers.com and a complete video will be made available to the media following the press conference.

If media are planning to do live shots on the field after the game, they should make advance arrangements with the Communications Office, as well as contact Scott Guthrie in HuskerVision (402-472-4645).

SIDELINE POLICIES

The Big Ten Conference maintains a strict sideline control policy in an effort to keep the playing area as safe as possible. All sideline photographers must have a photo vest and a photo credential, and both must be clearly visible. Vests will be issued beginning three hours before game time. Vests will be issued to media members with a photo credential who will be shooting still photos or video during the game. Media without a photo vest may access the sideline during pre-game and in the final five minutes of the game. Special exceptions to this also include interviews with special guests on the field at halftime, quarter breaks, etc. All other media should work from their assigned

location on Level 6 or Level 7.

Those individuals receiving a photo vest will be asked to sign a waiver concerning the usage of photos at the time they check out the vests. Vests may be returned to one of four locations following the game: Nebraska post-game interview room, opponent post-game interview room, press box, photographers work area.

The photographers work area is available on field level, just off the southeast corner of the playing field.

Additional sideline policies include: (1) Only those photographers on assignment from a newspaper, website, magazine, television station or a participating institution, are given credentials. Each student publication may be limited to one press and/or one sideline photo credential. (2) Media outlets with same or next day publication will be given preference for sideline credentials (Special requests must be submitted to the Communications Director for review). (3) Assistants, equipment carriers, etc. will not be allowed on the sideline. (4) Photographers must display their credentials and vest at all times. (5) University personnel will be present on the sideline to ensure that all credentials are properly displayed. Those possessing bench credentials must remain inside the team bench area (between the 20-yard lines). (6) Photographers may not enter the bench area at any time. (7) Photographers should not congregate in the writers' section of the media facility during halftime, during or after the game.

FACILITY USE RESTRICTIONS

The University of Nebraska-Lincoln has an interest in protecting its facilities, property and reputation associated with its intercollegiate sports. Therefore, no person shall be permitted to access or use the arenas, facilities and other University of Nebraska intercollegiate athletic venues without first securing the permission of the Athletic Director or his/her designee. In no case shall any person be permitted to use these venues for the purposes of promoting the sale or manufacture of alcohol or tobacco or the promotion of any venture associated directly or indirectly with legal or illegal gaming or gambling.

BIG TEN CREDENTIAL POLICY & RESTRICTIONS

This working credential is subject in all respects to the Media Credential Criteria and Policies set forth by The Big Ten Conference, Inc. as in effect from time to time. This working credential is issued for the sole purpose of providing facility access to an accredited agency's employee who has a legitimate working function (media or game service) in conjunction with this event. Any alteration, assignment, duplication, modification, sale, or transfer of this credential is expressly prohibited. Violation of the foregoing or any other unauthorized use of this credential subjects the bearer to ejection from the facility and prosecution for criminal trespass, in addition to all other rights or remedies available to the Big Ten Conference, Inc. By using this working credential, the bearer and accredited organization voluntarily assume any and all risks, hazards, and dangers in connection with or incidental or ancillary to this event, including,

without limitation, the risk of personal injury, death, exposure to communicable disease, virus, bacteria, or illness, and lost, stolen, or damaged property, and release, waive, and agree to jointly and severally indemnify The Big Ten Conference, Inc. from and against any claim, damage, expense, liability, or loss arising out of or otherwise related to the same. Any secondary use of any picture, photograph, audio description, video, film/tape, drawing or other description of a game taken or made by the accredited organization or individual to whom this credential has been issued (including, but not limited to use in delayed editorial or non-editorial advertising, sales promotion or merchandising) is prohibited without The Big Ten Conference, Inc.'s prior explicit written approval. Nothing in these terms and conditions allows, authorizes, or grants the bearer of these credentials any right in or to the trademarks, copyright or any other proprietary rights of The Big Ten Conference, Inc. and its member institutions, each of which are expressly reserved. A maximum of two minutes (2:00) of game video footage (without audio) may be utilized during the seven (7) days following the conclusion of the game solely within regularly scheduled bona fide news programming distributed via television, and may not be distributed via the internet, wireless or other forms of media.

Non-originating radio stations or other outlets may not provide play-by-play coverage, live or delayed, but may provide short news updates provided such news update is one minute or less occurring no more than once per hour.

Media are also prohibited from live coverage of any Nebraska press conference on any digital media platform or website, with the exception of live television coverage.

INTERNET/WIRELESS

Media will have use of wireless internet in the Memorial Stadium press box.

Media members using wireless frequencies at Memorial Stadium will be asked to register that equipment in advance. Media will be prompted to complete a frequency coordination form when they fill out their on-line credential application. (Note: This does not apply to those registering for wireless internet access).

Information such as statistics, postgame quotes, play-by-play, etc., will be available online at Huskers.com. If arrangements are made in advance, postgame notes, quotes and game statistics may be e-mailed.

THE BIG TEN CONFERENCE

Known as one of intercollegiate sports' most successful undertakings, the Big Ten is home to a lineage of legendary names and an ongoing tradition of developing strong leaders.

The history of the Big Ten traces back more than 125 years to the Palmer House hotel in Chicago, where on January 11, 1895, then-Purdue president James H. Smart and leaders from the University of Chicago, University of Illinois, University of Michigan, University of Minnesota, Northwestern University and University of Wisconsin set out to organize and develop principles for the regulation of intercollegiate athletics.

At that meeting, a blueprint for the administration of college athletics under the direction of appointed faculty representatives was outlined. The presidents' first known action "restricted eligibility for athletics to bonafide, full-time students who were not delinquent in their studies." That important legislation, along with other legislation that would follow in the coming years, served as the primary building block for intercollegiate athletics.

On February 8, 1896, one faculty member from each of those seven universities met at the same Palmer House and officially established the mechanics of the conference, which was officially incorporated as the "Intercollegiate Conference Athletic Association" in 1905. Indiana University and the State University of Iowa became the eighth and ninth members in 1899. In 1908, Michigan briefly withdrew its membership, and in 1912 Ohio State University joined the conference, bringing its membership total back to nine. Upon Michigan's return in 1917, the conference was first referred to as the "Big Ten" by media members, and that name was eventually incorporated in 1987.

As the 1900s opened, faculty representatives established rules for intercollegiate athletics that were novel for the time. As early as 1904, the faculty approved legislation that required eligible athletes to meet entrance requirements and to have completed a full year's work, along with having one year of residence.

In 1901, the first Big Ten Championship event was staged when the outdoor track and field championships were held at the University of Chicago. The debut event marked what is now a staple of conference competition. Today, the Big Ten sponsors 28 official sports, 14 for men and 14 for women.

One of the conference's proudest traditions began in 1902 when Michigan took on Stanford in the Rose Bowl, the nation's first bowl game. Big Ten teams only appeared in Pasadena twice before the conference signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl game with permanent conference affiliations.

Coupling the academic goals set forth by the leaders of the charter members of the conference and their steadfast commitment to athletics, the conference instituted the Big Ten Medal of Honor in 1915. It is awarded annually by each conference institution to a student of the graduating class who has attained the greatest proficiency in scholarship and athletics. For more than 100 years, it has been the most prestigious honor a student competing in Big Ten athletics can receive.

In 1922, Major John L. Griffith became the conference's first "Commissioner of Athletics." Griffith was the first of seven men to assume the role of commissioner in the conference's history, followed by Kenneth L. "Tug" Wilson in 1945, Bill Reed in 1961, Wayne Duke in 1971, Jim Delany in 1989, Kevin Warren in 2020 and Tony Petitti in 2023.

After nearly 30 years with 10 members, the conference consolidated to nine schools when the University of Chicago formally withdrew its membership in 1946. Michigan State College (now Michigan State University) was added to the Big Ten three years later, bringing the number of affiliated conference schools to 10 once again.

In 1955, the Big Ten formulated a revenue-sharing model designed to pool all football television rights of its members and share those proceeds equally. The conference and its members continue to utilize a revenue-sharing model, dividing media rights, bowl payouts and other profits among all conference institutions.

While academics have always played an integral role in the conference, presidents of the Big Ten member institutions formalized the primacy of academics with the establishment of the Big Ten Academic Alliance (formerly the Committee on Institutional Cooperation) in 1958. The Big Ten Academic Alliance is an academic consortium of all Big Ten universities. Annually, the schools currently constituting the Big Ten Academic Alliance produced over \$10 billion in funded research, \$5 billion more than any other conference.

In one of Duke's first actions as commissioner, he oversaw the adoption of the Big Ten Advisory Commission in 1972, designed to study conference programs and make suggestions which would further Big Ten objectives. The Advisory Commission enlists former students that competed in Big Ten athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

In 1981, the conference presidents and chancellors endorsed a proposal that enabled universities to affiliate their women's intercollegiate programs with the conference, and the first conference championships for women were staged that fall. The Big Ten was the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

In December of 1989, the conference agreed in principle to invite Pennsylvania State University for membership. On June 4, 1990, the Council of Presidents officially voted to integrate Penn State into the conference, giving the Big Ten 11 members.

In 2004, the Big Ten implemented a pilot program of instant replay for college football. Following the season, the conference forwarded replay proposals to the NCAA regarding the future use of instant replay, where it approved nationwide testing in 2005. A year later, the NCAA approved the use of instant replay for all conferences.

Also in 2006, Delany announced the creation of the first conference-owned television network, a 20-year agreement with FOX Networks to create what would become the Big Ten Network (BTN). Launched on Aug. 30, 2007, BTN now produces more than 2,200 live events annually as the first internationally distributed network dedicated to covering one of the premier collegiate conference in the country. BTN is in almost 60 million homes in the U.S. and Canada alone via all major video distributors in those countries and approximately 300 additional video providers across North America. BTN is also available through the majority of OTT providers, and via the Fox Sports App, which delivers live and on-demand programming to computers, smartphones and tablets. In addition, the B1G+ ("Big Ten Plus") platform streams more than 1,700 conference events each season.

The Big Ten took its media reach to unprecedented heights on Aug. 18, 2022, with the announcement of a groundbreaking media rights agreement to provide fans with unparalleled access and exposure to its student-athletes and member institutions. Beginning with the 2023-24 academic year and continuing through 2029-30, the Big Ten will increase distribution coast-to-coast, featuring exclusive content across linear networks FOX, CBS and NBC, as well as NBCUniversal's direct-to-consumer streaming platform, Peacock. The breadth of new partners, in addition to BTN and FS1, will place conference football, women's and men's basketball and Olympic sports student-athletes on the biggest stage and provide fans with the most exciting matchups across traditional over-the-air linear television and direct-to-consumer streaming.

On June 11, 2010, the Big Ten Council of Presidents/Chancellors (COP/C) approved a formal membership application by the University of Nebraska, expanding the conference to 12 institutions. Nebraska officially joined the Big Ten on July 1, 2011. The conference expanded its footprint further in 2012 when the COP/C approved formal membership applications from the University of Maryland and Rutgers University on November 19 and 20, respectively. Maryland and Rutgers became official Big Ten members on July 1, 2014, giving the conference almost 9,500 students participating in intercollegiate athletics and more than 11,000 participation opportunities on 350 teams. The Big Ten officially stretched from coast to coast on June 30, 2022, when it was announced the COP/C had unanimously voted to admit the University of California, Los Angeles (UCLA) and the University of Southern California (USC), effective Aug. 2, 2024. Competition will begin for those institutions in conference sports in the 2024-25 academic year.

Since opening in the fall of 2013, the Big Ten Headquarters and Conference Center, located in Rosemont, Illinois, hosts more than 300 meetings annually for member institutions, Big Ten Academic Alliance-related committees and coaches' groups. The headquarters also features an interactive digital museum — the Big Ten Experience — which brings the conference's storied academic and athletic history to life.

In June 2014, the Big Ten opened a second office in New York City, featuring both office and meeting space in Midtown Manhattan. Big Ten staff members are based in the New York City office to provide expanded coverage and service, while other conference and institutional administrators utilize the space as necessary when conducting business on the East Coast. The Big Ten and its member institutions also have access to satellite office space in Washington, D.C.

Petitti and his staff work to meet the educational needs of student-athletes to allow them to excel in all areas of their lives. The conference office manages 27 different championships and tournaments, offers legislative and compliance services, oversees the production and distribution of more than 2,000 events annually, provides staff services to coaching and administrative personnel, and remains a vital resource for media and fans seeking information on the Big Ten.

On March 7, 2020, in advance of the rising tide of the COVID-19 pandemic, the conference partnered with all 14 of its member institutions to create the Big Ten Task Force for Emerging Infectious Diseases. This group was formed to provide counsel and sound medical advice to ensure the health, safety and wellness of the Big Ten's students, coaches, administrators and fans. Less than two months later on May 4, 2020, the conference announced the formation of the Big Ten Mental Health and Wellness Cabinet, featuring representation from all 14 member institutions, as well as sport affiliate members Johns Hopkins (men's and women's lacrosse) and Notre Dame (men's ice hockey). The goal of the cabinet is to promote optimal mental health for Big Ten student-athletes through a comprehensive, systemic and interdisciplinary approach to establishing mental health programs, while also providing counsel, advice and expertise to the conference office.

One of the signature moments of Warren's tenure as commissioner came on June 1, 2020, when, following the death of Minneapolis resident George Floyd, he penned an open letter in which he announced the formation of what became known as the Big Ten Equality Coalition. This group, which features student-athletes, coaches, athletic directors, chancellors, presidents and other members of the Big Ten family from all 14 member institutions, has a stated goal of seeking tangible ways to actively and constructively combat racism and hate around the world, while also empowering student-athletes to express their rights to free speech and peaceful protest.

A product of the conversations emerging from the coalition was the creation of the Big Ten Voter Registration Initiative. This non-partisan, conference-wide collaboration encourages student-athletes to take part in the electoral process and is led by a Voter Registration Committee that includes representatives from all 14 Big Ten institutions.

More than 125 years after its inception, the Big Ten remains a national leader in intercollegiate athletics on and off the field. Big Ten programs have combined to win more than 450 team and 1,800 individual national championships, consistently taking home individual honors for athletic and academic accomplishments and fulfilling the Big Ten's mission of academic achievement and athletic success.

BIG TEN CHAMPIONSHIP GAME

The 13th annual Big Ten Football Championship Game is scheduled for Dec. 2, 2023, at Lucas Oil Stadium in Indianapolis. The game will be televised to a national audience on FOX with kickoff set for 7 p.m. Central. The game will match the winners of the East and West divisions, and the winner of the contest will be presented the Stagg Championship Trophy.

In 2011, the Big Ten Conference announced that Lucas Oil Stadium would host the first five football championship games through the 2015 season. The contract has been extended several times since and Lucas Oil Stadium will host until the 2024 season. During the first 11 seasons, Wisconsin (2011, 2012), Michigan (2021, 2022), Michigan State (2013, 2015), Ohio State (2014, 2017, 2018, 2019, 2020) and Penn State (2016) have captured titles. Nebraska made its first title game appearance in 2012 and lost to Wisconsin.

While a member of the Big 12 Conference, Nebraska participated in the league title game six times. Nebraska captured Big 12 crowns in 1997 and 1999, and was also the North Division representative in the game in 1996, 2006, 2009 and 2010.

2023 BIG TEN BOWL LINEUP

The Big Ten features the largest and most diverse postseason lineup in conference history. Stretching from coast to coast, the Big Ten's future bowl lineup is highlighted by annual games against quality opponents from the ACC, Big 12, Pac-12, SEC and MAC in Arizona, California, Florida, Michigan, New York, Nevada and Tennessee, along with the opportunity to visit four other outstanding postseason venues as part of the College Football Playoff. The Big Ten's bowl lineup allows teams and fans to visit world-class cities while having the opportunity to experience 10 different NFL stadiums, along with some of the most iconic venues in the country, including Rose Bowl Stadium and Yankee Stadium.

COMPLIANCE GUIDELINES

COMMITMENT TO COMPLIANCE

On behalf of the University of Nebraska student-athletes, coaches, and Athletic Department staff, I would like to express my appreciation for your continued support of our entire athletic program. The University of Nebraska is known for its loyal, passionate, and knowledgeable fans. It is this type of fervent support that not only assists Nebraska student-athletes in reaching their full potential on and off the playing field, but also draws the next generation of student-athletes to our campus. However, as a University of Nebraska donor, alumni, or fan, please remember that you are also required to know and follow NCAA regulations.

Our coaches, student-athletes, and Athletic Department staff members are knowledgeable about NCAA regulations because they receive ongoing education. But, to truly attain the excellence the University of Nebraska strives for, we also need our supporters to be educated about these same regulations. In turn, you will be assisting us with protecting the eligibility and well-being of our current and future student-athletes.

Please review the information listed below, which includes some of the most important and frequently asked questions about NCAA regulations and the link to new information about policies pertaining to the NCAA's new Name, Image, and Likeness (NIL) rules. Since this document cannot address everything you may need to know, I encourage you to contact our office with questions that may arise. Our staff can be reached at (402) 472-2042 or compliance@huskers.com.

Thank you and Go Big Red!

Jamie Vaughn, Executive Associate Athletic Director - Compliance

NCAA PRINCIPLES

Institutional Control

It is the responsibility of the University of Nebraska to control its intercollegiate athletic program in compliance with the rules and regulations of the NCAA and the Big Ten Conference.

Responsibility

The University of Nebraska's responsibility for the conduct of its program includes responsibility for the actions of its staff members and for the actions of any other individual or organization engaged in activities promoting the athletic interests of the institution. This includes donors, alumni, and fans.

Compliance

The University of Nebraska must monitor its program to assure compliance and to identify and report to the NCAA instances in which compliance has not been achieved. An institution found to have violated NCAA rules is subject to disciplinary and corrective actions as determined by the NCAA.

FREQUENTLY ASKED QUESTIONS FROM BOOSTERS

Am I a Booster?

Anyone who engages in the following is a booster for the University of Nebraska:

- Belongs to a University of Nebraska Athletic booster club;
- Makes financial contributions to a NIL Collective that represents and employs Husker student-athletes;
- Makes financial contributions to the Athletic Department or a specific Husker team;
- Assists in the recruitment of prospective student-athletes;
- Employs, gives benefits to, or provides services to a student-athlete, a prospective student-athlete or the relatives/friends of either; or
- Promotes the University of Nebraska athletic programs.

Where can I get more information about the Name, Image, Likeness (NIL) policies at the University?

If you have specific questions on NIL, please reach out to Jonathan Bateman, Assistant A.D. - NIL Strategy and Governance at jbateman@huskers.com.

What is an "extra benefit"?

An "extra benefit" is any benefit provided to a student-athlete or a student-athlete's relatives or friends that is not authorized by NCAA legislation or available to the general student body. The following list is not exhaustive, but includes examples of "extra benefits" that jeopardize a student-athlete's eligibility:

- Free or discounted: food, merchandise, housing, tickets, repairs, haircuts, tattoos, golf/gym memberships, jewelry, etc;
- Use of a car, boat, or ATV; and
- Gifts, loans, money, or gift cards.

Can I contact prospective student-athletes (recruits) for the Huskers?

No. It is not permissible for boosters to contact recruits. This restriction applies to, but is not limited to, the following forms of contact:

- Face-to-Face Meetings;
- Phone Calls, Zoom, or any other type of videoconferencing;
- Emails/Text Messages/DMs; and
- Facebook, Twitter, and all other forms of social media communication.

Although we recognize that some donors, alumni, and fans may have preexisting relationships with student-athletes through family and friends, please contact our staff prior to providing any benefit to a current student-athlete. It is important that the nature of the relationship and proposed benefit is disclosed in advance to ensure the student-athlete's eligibility is not jeopardized. In addition to answering questions directly, our staff can work with the NCAA and Big Ten Conference to confirm whether a benefit is permissible. Please contact our office at (402) 472-2042 or compliance@huskers.com with any questions.

DEVANEY LEGACY SOCIETY

For 35 years, Bob Devaney was the driving force behind Nebraska Athletics. The endowment and planned giving program with the Huskers Athletic Fund is proudly named in his honor. By establishing a scholarship endowment, program endowment or planned gift with Nebraska Athletics, you will support our student-athletes by funding expenses directly related to education, personal development and sports performance.

ENDOWMENTS

Nebraska Athletics provides the maximum number of scholarships allowed for our student-athletes across 24 sports. New scholarship and program endowments start at \$100,000 and are payable over five years. Please contact Mattie Fowler Burkhardt at (402) 472-2714 for more information.

PLANNED GIVING

Establishing your legacy through a planned gift can impact the student-athletes of today while building a lasting tradition of support for the student-athletes of tomorrow. Many planned gifts provide substantial tax advantages and other unique benefits. If you have considered including Nebraska Athletics in your will, please contact Mattie Fowler Burkhardt at (402) 472-2714.
